

MILLIS

1971

ANNUAL TOWN REPORT

9483

1885

The Cover

A section of an artist's sketch of the town as it looked in 1885, at the time East Medway was set off from the town of Medway and incorporated as the new town of Millis.

At this time there were 171 dwelling houses in the town of Millis and the population was 683. The assessed value of all real estate was \$357,215 and the tax rate was \$13.75 per thousand. The total tax assessed for the year 1885 was \$5,662.86.

The First Church of Christ (front, upper right) was built in 1850. The steeple shown was destroyed about 1905 and was replaced by the present steeple. Just below the church is Partridge Hall where the first town meeting of the new town was held. All subsequent town meetings were held here until the hall burned on November 19, 1891. For the next two years the town meetings were held in the First Church of Christ. Starting in January, 1894, and for many years thereafter, the town meetings were held in the new Grange Hall, which was completed in the fall of 1893 and torn down in 1971.

The building in the lower right was the Adams School, now the site of the Millis Police and Fire Station.

The building next to the railroad tracks (lower front cover) is the Millis Memorial Building. It was built in 1886 as a memorial to Lansing Millis by his heirs, to provide the town with rooms for town offices and a public library on the second floor and space for a railroad station on the first floor. The entire building is now used for town offices and for the Millis Historical Society.

On the back cover (upper center) is the estate of Dr. Charles Wesley Emerson, built in 1885 and destroyed by fire in 1911. Dr. Emerson was the founder of the Emerson School of Oratory in Boston.

The group of buildings (back cover, lower left) were the Holbrook Bell and Organ Factories and the Ware Organ Pipe Factory. The low building, second from Auburn Road, was once the East Medway Post Office.

ARTHUR D. THORNE, President
Millis Historical Society

The Town Warrant calling this business meeting was signed by Selectmen Donald M. Kuhn, Henry J. Lewandowski and Gordon W. McFetridge and was posted on February 25, 1971 in accordance with the By-laws of the Town of Millis by Francis X. Spinoza, Constable.

Voting List	Inspectors:	Alfreda M. Clark	Mary M. Germano
		Lorraine Consoletti	Ella Mae Pollard

Motion made that the reading of the warrant and return of the service thereof be omitted.

VOTED that the reading of the warrant and return of the service thereof be omitted.

Motion made that the Moderator be granted unanimous consent to omit the reading of the articles and refer to them under numbers and subject matter.

VOTED that the Moderator be granted unanimous consent to omit the reading of the articles and refer to them under numbers and subject matter.

Article 1. To see if the town will vote to raise or appropriate or transfer from available funds a sum of money to pay 1970 bills in the school teachers' salaries account, or act in any manner relating thereto.

Motion made by Mr. Joseph L. Travers, Jr. that Article 1 be Dismissed.

VOTED to Dismiss Article 1.

Article 2. To see if the town will vote to raise or appropriate or transfer from available funds a sum of money to pay 1970 bills in the school vocational education account, or act in any manner relating thereto.

Motion made by Mr. Joseph L. Travers, Jr. that Article 2 be Dismissed.

VOTED to Dismiss Article 2.

Article 3. To see if the town will vote to raise or appropriate or transfer from available funds a sum of money to pay 1970 bills in the school transportation account, or act in any manner relating thereto.

Motion made by Mr. Joseph L. Travers, Jr. that Article 3 be Dismissed.

VOTED to Dismiss Article 3.

Article 4. To see if the town will vote to raise or appropriate or transfer from available funds a sum of money to pay 1970 bills in the school expense account, or act in any manner relating thereto.

Motion made by Mr. Joseph L. Travers, Jr. that Article 4 be Dismissed.

VOTED to Dismiss Article 4.

Article 5. To see if the town will vote to rescind the authorization to borrow \$45,000.00 granted under Article 18 of the annual town meeting of March 14, 1966, for the purpose of building a water storage facility at the corner of Village Street and Pleasant Street, or act in any manner relating thereto.

VOTED that the town rescind the authorization to borrow \$45,000.00 granted under Article 18 of the annual town meeting of March 14, 1966, for the purpose of building a water storage facility at the corner of Village Street and Pleasant Street.

Article 6. To see if the town will vote to rescind the authorization to borrow the \$25,000.00 authorized and unissued portion of the \$150,000.00 authorized loan for the construction of the library as voted under Article 17 of the annual town meeting of March 14, 1966.

VOTED that the town rescind the authorization to borrow \$25,000.00 authorized and unissued portion of the \$150,000.00 authorized loan for the construction of the library as voted under Article 17 of the annual town meeting of March 14, 1966.

Article 7. To see if the town will vote to rescind the authority to borrow the \$2,000.00 authorized and unissued portion of the \$12,500.00 authorized loan for appraisal of property as voted under Article 73 of the recessed annual town meeting of March 23, 1970.

VOTED that the town rescind the authority to borrow the \$2,000.00 authorized and issued portion of the \$12,500.00 authorized loan for appraisal of property as voted under Article 73 of the recessed annual town meeting of March 23, 1970.

Article 8. To see if the town will vote to authorize the Board of Selectmen to petition the General Court to enact legislation allowing the Town of Millis to withdraw from the Massachusetts Bay Transportation Authority, or act in any manner relating thereto.

VOTED that the town authorize the Board of Selectmen to petition the General Court to enact legislation allowing the Town of Millis to withdraw from the Massachusetts Bay Transportation Authority.

Article 9. To see if the town will vote to raise or appropriate or transfer from available funds the sum of \$12,142.29 as apportioned to the Town of Millis in accordance with Chapter 768 of the Acts of 1969, Section 5, said amount to be set up as a separate account for highway purposes, or act in any manner relating thereto.

Motion made by Mr. Joseph L. Travers, Jr. that Article 9 be Dismissed.

VOTED to Dismiss Article 9.

Article 10. To see if the town will vote to approve the filing of a petition in the General Court under the provisions of Section 8 of Article 89 of the Amendments to the Constitution for an act: "Granting tenure in office to age 70 to Richard C. Barrett as Superintendent of Streets of the Town of Millis, which position he presently holds, notwithstanding the fact that the said Town of Millis has accepted provisions of Sections 69C to 69F of Chap-

ter 41 of the General Laws creating a Department of Public Works within said town and transferring the said Richard C. Barrett to the said Department of Public Works when the same is established without loss of title or salary," or act in any manner relating thereto.

Motion made by Mr. Joseph L. Travers, Jr. that Article 10 be Dismissed.

VOTED to Dismiss Article 10.

VOTED to Adjourn sine die at 7:45 P.M., the business of the warrant being completed.

ARTHUR D. THORNE

Town Clerk

RECORD OF THE ANNUAL TOWN MEETING
HELD IN THE JUNIOR-SENIOR HIGH SCHOOL
AUDITORIUM

MILLIS, MASSACHUSETTS, MONDAY, MARCH 8, 1971

DPW1	Part Time Employee		1.86/hr.		2.07/hr.

VOTED that Article 3 be adopted as amended.

Article 4. To see if the town will vote to amend Paid Holidays. Town Employee Benefits, Schedule C, by deleting said "Paid Holidays" in its entirety and inserting in its place the following: "PAID HOLIDAYS – If any of the following holidays, or days observed as such, as determined by the Millis Board of Selectmen, are the scheduled work days of a full-time employee, and no work is performed by him on that day, he shall receive a day's pay at straight time rate. Should the below mentioned days be the scheduled work days of a full-time employee, and work is performed by him on that day, which work has been duly authorized, he shall receive a day's pay at straight time rate, plus additional straight time for such work performed. Holiday time shall be from midnight to midnight of the day celebrated as such. These provisions shall apply to shifts regularly scheduled to start within the 24 hour period of the holiday, and shall not apply to regularly scheduled shifts which start prior to and run into the holiday period. The holidays are New Year's Day, Washington's Birthday, Patriot's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, Christmas Day. They will be observed in 1971 on the following dates: January 1, February 15, April 19, May 31, July 5, September 6, October 11, October 25, November 25, December 24," or act in any manner relating thereto.

VOTED that the town amend Paid Holidays. Town Employee Benefits, Schedule C, by deleting said "PAID HOLIDAYS" in its entirety and inserting in its place the following: "PAID HOLIDAYS – If any of the following holidays, or days observed as such, as determined by the Millis Board of Selectmen, are the scheduled work days of a full-time employee, and no work is performed by him on that day, he shall receive a day's pay at straight time rate. Should the below mentioned days be the scheduled work days of a full-time employee, and work is performed by him on that day, which work has been duly authorized, he shall receive a day's pay at straight time rate, plus additional straight time for such work performed. Holiday time shall be from midnight to midnight of the day celebrated as such. These provisions shall apply only to shifts regularly scheduled to start within the 24 hour period of the holiday, and shall not apply to regularly scheduled shifts which start prior to and run into the holiday period. All regular full-time employees are entitled to ten paid holidays. The holidays are New Year's Day, Washington's Birthday, Patriot's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, Christmas.

Article 5. To see if the town will vote to amend Overtime Pay, Town

Employee Benefits, Schedule C, by deleting said "Overtime Pay" in its entirety, and inserting in its place the following: "OVERTIME PAY – Overtime pay will be paid to full time Department of Public Works employees, hired and paid on an hourly basis, who are actively engaged in snow removal duties duly authorized by the Superintendent, at the rate of time and one-half for hours worked before 8:00 a.m. or after 4:30 p.m. Monday through Friday and any hours worked on Saturday or Sunday or on any of the ten scheduled 'Paid Holidays' as designated by the Selectmen. This overtime pay amendment shall take effect immediately upon acceptance by the town," or act in any manner relating thereto.

AMENDED MOTION made by Mr. Thomas S. Lydon to add after Superintendent the words "and/or Foreman."

By VOICE VOTE the AMENDED MOTION Carried.

VOTED that the town amend Overtime Pay, Town Employee Benefits, Schedule C, by deleting said "Overtime Pay" in its entirety and inserting in its place the following: "OVERTIME PAY – Overtime pay will be paid to full time Department of Public Works employees, hired and paid on an hourly basis, who are actively engaged in snow removal duties duly authorized by the Superintendent and/or Foreman, at the rate of time and one-half for hours worked before 8:00 a.m. or after 4:30 p.m. Monday through Friday and any hours worked on Saturday or Sunday or on any of the ten scheduled 'Paid Holidays' as designated by the Selectmen. This overtime pay amendment shall take effect immediately upon acceptance by the town.

Article 6. To see if the town will vote to fix the compensation of elected officers, provide for a reserve fund, and to determine what sums of money the town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the town, including debt and interest, for the ensuing year, or act in any manner relating thereto.

VOTED that the amounts of money set forth in the printed report of the Finance Committee be appropriated or transferred for the several purposes therein itemized, each numbered item being considered as a separate appropriation or transfer and that the same be expended only for such purpose.

VOTED that the town transfer into the Department of Public Works wages account the unexpended balances in the following wage accounts: Highway, Water, Sewer, Tree, Dutch Elm Disease, Park and Cemetery and transfer into the Department of Public Works expenses account the unexpended balances in the following expense accounts: Highway, Water, Sewer, Tree, Dutch Elm Disease, Park and Cemetery.

Article 8. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971, and January 1, 1972, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or act in any manner relating thereto.

VOTED that the town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971 and January 1, 1972, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

Article 9. To see if the town will vote to raise and appropriate from taxation or available funds in the treasury a sum of money to be added to the stabilization fund in accordance with the provisions of Section 5B, Chapter 40, General Laws, or act in any manner relating thereto.

VOTED that the town transfer \$10,000.00 from available free cash account to the stabilization fund in accordance with the provisions of Section 5B, Chapter 40 of the General Laws.

Article 10. To see what disposition the town will make of the money refunded by the county on account of dog licenses, or act in any manner relating thereto.

No action necessary on this article as this was acted on in item 132, "Public Library," under Article 6.

Article 11. To see if the town will vote to authorize the Department of Public Works Commissioners to appoint their own Sewer and Water Registrars, or act in any manner relating thereto.

VOTED that the town authorize the Department of Public Works Commissioners to appoint their own Sewer and Water Registrars.

Article 12. To see if the town will, in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, vote to authorize the Board of Health to appoint any of its own members to any other town office or position for the term provided by law and fix the salaries of such offices or positions as sanitation agent at \$2.75 per hour and assistant agent at \$2.52 per hour, or act in any manner relating thereto.

VOTED that the town, in accordance with provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, authorize the Board of Health to appoint any of its own members to any other town office or position for the term provided by law and fix the salaries of such offices or positions as sanitation agent at \$2.65 per hour and assistant agent at \$2.52 per hour.

Article 13. To see if the town will vote to raise and appropriate, provide a sum or sums of money for the purpose of providing mental health services for the residents of the Town of Millis, pass any vote or take any action relative thereto.

VOTED that the town raise by taxation and appropriate \$2,100.00 for the purpose of providing mental health services for the residents of the Town of Millis.

Article 14. To see if the town will raise and appropriate a sum of money for the construction of a gravity sewer in Main Street and in Woodlawn Drive, and determine whether the money shall be provided for by taxation, appropriation from available funds, or by borrowing under provisions of Chapter 44 of the General Laws, or otherwise, such sums to be expended under the authority of the Department of Public Works Commissioners, or act in any manner relating thereto.

MOTION made by Mr. Everett D. Adams that Article 14 be Dismissed.

VOTED to Dismiss Article 14.

Article 15. To see if the town will raise and appropriate a sum of money for the construction of a gravity sewer in Union Street, Railroad Avenue, Buddy Kearney Lane and Winter Street, and determine whether the money shall be provided for by taxation, appropriation from available funds, or by borrowing under provisions of Chapter 44 of the General Laws, or otherwise, such sums to be expended under the authority of the Department of Public Works Commissioners, or act in any manner relating thereto.

MOTION made by Mr. Everett D. Adams that Article 15 be Dismissed.

VOTED to Dismiss Article 15.

Article 16. To see if the town will authorize modification at the sewage treatment plant for the purpose of making a pilot plant study, said modification to be made under the supervision of the Department of Public Works Commissioners, or act in any manner relating thereto.

VOTED that the town authorize modification at the sewage treatment plant for the purpose of making a pilot study, said modification to be made under the supervision of the Department of Public Works Commissioners. No monies to be appropriated.

Article 17. To see if the town will vote to amend Section 3 of Article 1 of the by-laws by adding before the word "adjourned" wherever it might appear therein, the words "recessed or;" by adding a period after the word "town" in line 2 thereof, deleting the word "and" following the word town and beginning a new sentence thereafter; by adding the word "all" before the

word "such" at the beginning of the last sentence thereof, or act in any manner relating thereto.

VOTED that the town amend Section 3 of Article 1 of the by-laws by adding before the word "adjourned" wherever it might appear therein, the words "recessed or;" by adding a period after the word "town" in line 2 thereof, deleting the word "and" following the word town and beginning a new sentence thereafter; by adding the word "all" before the word "such" at the beginning of the last sentence thereof.

Article 18. To see if the town will vote to amend the Millis By-Laws by repealing the amendment made thereto on February 18, 1952, which added the following: "The Selectmen shall mail to all R.F.D. and P.O. Boxholders a notice of each annual or special town meeting at least seven days prior to such meeting," and inserting in place thereof the following: Section 4 of Article I: "The Selectmen shall mail to each residence of the town a notice of each annual or special town meeting, at least seven days prior to the first session thereof," or act in any manner relating thereto.

VOTED that the town amend the Millis By-Laws by repealing the amendment made thereto on February 18, 1952, which added the following: "The Selectmen shall mail to all R.F.D. and P.O. Boxholders a notice of each annual or special town meeting at least seven days prior to such meeting," and inserting in place thereof the following: Section 4 of Article I: "The Selectmen shall mail to each residence of the town a notice of each annual or special town meeting, at least seven days prior to the first session thereof."

Article 19. To see if the town will vote to amend the Millis By-Laws by repealing Section 1 of Article IV thereof, or act in any manner relating thereto.

VOTED that the town amend the Millis By-Laws by repealing Section 1 of Article IV thereof.

Article 20. To see if the town will vote to amend the Millis By-Laws by repealing Section 2 of Article V and adding in place thereof the following: "In addition to the duties required by law, the Town Clerk shall, immediately following the adjournment of any town meeting, notify in writing any person named, either by election or appointment, to serve as a member of a com-

mittee by said town meeting. The appointing authority shall notify all appointees named subsequent to any town meeting," or act in any manner relating thereto.

VOTED that the town amend the Millis By-Laws by repealing Section 2 of Article V and adding in place thereof the following: "In addition to the duties required by law, the Town Clerk shall, immediately following the adjournment of any town meeting, notify in writing any person named, either by election or appointment, to serve as a member of a committee by said town meeting. The appointing authority shall notify all appointees named subsequent to any town meeting."

Article 21. To see if the town will vote to amend the Millis By-Laws by repealing Section 5 of Article V and inserting in place the following: "Section 5. The Town Clerk shall have custody of all books, papers, plans and records belonging to the town, if no other disposition of such books, papers, plans and records is made by law or by by-law," or act in any manner relating thereto.

VOTED that the town amend the Millis By-Laws by repealing Section 5 of Article V and inserting in place thereof the following: "Section 5. The Town Clerk shall have custody of all books, papers, plans and records belonging to the town, if no other disposition of such books, papers, plans and records is made by law or by by-law."

Article 22. To see if the town will vote to amend the Millis By-Laws by repealing Section 7 of Article V thereof, or act in any manner relating thereto.

VOTED that the town amend the Millis By-Laws by repealing Section 7 of Article V thereof.

Article 23. To see if the town will vote to amend the Millis By-Laws by repealing Section 9 of Article V thereof, or act in any manner relating thereto.

VOTED that the town amend the Millis By-Laws by repealing Section 9 of Article V thereof.

Article 24. To see if the town will vote to amend the Millis By-Laws by repealing Section 1 of Article VI thereof, or act in any manner relating thereto.

MOTION made by Mr. Charles W. Batchelder that the town vote to amend the Millis By-Laws by repealing Section 1 of Article VI thereof.

By VOICE VOTE the MOTION was Lost.

Article 25. To see if the town will vote to amend the Millis By-Laws, Section 2 of Article VI thereof, by changing \$1,000.00 in sentence one thereof to \$2,000.00; by deleting in the second sentence the words "local newspaper, if any" and inserting in place thereof the words "newspaper published in the town or if none, a newspaper with general circulation in the town;" by changing the \$1,000.00 in the last sentence thereof to \$2,000.00, or act in any manner relating thereto.

MOTION made by Mr. Charles W. Batchelder that the town vote to amend the Millis By-Laws, Section 2 of Article VI thereof, by changing \$1,000.00 in sentence one thereof to \$2,000.00; by deleting in the second sentence the words "local newspaper, if any" and inserting in place thereof the words "newspaper published in the town or if none, a newspaper with general circulation in the town;" by changing the \$1,000.00 in the last sentence thereof to \$2,000.00.

AMENDED MOTION made by Mrs. Katherine M. O'Rourke that the amount of \$2,000.00 be stricken and that where \$1,000.00 occurs in the original by-law that it remain \$1,000.00.

By VOICE VOTE the AMENDED MOTION Carried.

VOTED that the town amend the Millis By-Laws, Section 2 of Article VI thereof by deleting in the second sentence the words "local Newspaper, if any," and inserting in place thereof the words "newspaper published in the town or if none, a newspaper with general circulation in the town."

Article 26. To see if the town will vote to amend the Millis By-Laws by repealing Section 3 of Article VI thereof and replacing it with the following: "Section 3. No money in excess of \$3,000.00 shall be raised or transferred in any town meeting other than the annual town meeting unless there are present at the time at least 125 legal voters of the town," or act in any manner relating thereto.

MOTION made by Mr. Simon Novick that Article 26 be Dismissed.

VOTED to Dismiss Article 26.

Article 27. To see if the town will vote to amend the Millis By-Laws by repealing Section 7 of Article VI thereof and replacing it with the following: "Section 7. Every contract exceeding \$2,000.00 shall be accompanied by suitable bond in the minimum amount of 50% of the contract price for performance of the same or a deposit of money for security to the amount of such bond," or act in any manner relating thereto.

VOTED that the town amend the Millis By-Laws by repealing Section 7 of Article VI thereof and replacing it with the following: "Section 7. Every contract exceeding \$2,000.00 shall be accompanied by suitable bond in the minimum amount of 50% of the contract price for performance of the same or a deposit of money for security to the amount of such bond."

Article 28. To see if the town will vote to amend Section 1 of Article II of the Millis By-Laws by deleting in the first sentence the words "fifteen (15) days" and inserting in place thereof the words "forty-five (45) days;" by deleting in the second sentence thereof the words "or appointive;" by striking out the third sentence thereof and inserting in place thereof the following: "within forty-five (45) days after the adjournment of each annual town meeting the Moderator shall appoint three members to serve for terms of three (3) years," or act in any manner relating thereto.

VOTED that the town amend Section 1 of Article II of the Millis By-Laws by deleting in the first sentence the words "fifteen (15) days" and inserting in place thereof the words "forty-five (45) days;" by deleting in the second sentence thereof the words "or appointive;" by striking out the third sentence thereof and inserting in place thereof the following: "Within forty-five (45) days after the adjournment of each annual meeting the Moderator shall appoint three members to serve for terms of three (3) years."

Article 29. To see if the town will vote to amend Section 2 of Article III of the Millis By-Laws by striking out the words "two hundred dollars" in the last sentence thereof and inserting in place thereof the words "two thousand dollars," or act in any manner relating thereto.

By VOICE VOTE it was VOTED that the town amend Section 2 of Article III of the Millis By-Laws by striking out the words "two hundred dollars" in

the last sentence thereof and inserting in place thereof the words "two thousand dollars."

More than seven voters questioned the vote and a standing vote was taken. By rising count, "Yes" 86 - "No" 91, the vote on Article 29 did not Carry.

At this time the Moderator announced that the Board of Selectmen have asked for action on Article 42.

Article 42. To see if the town will vote to purchase a new police cruiser and to have the allowance on the old car (1969 Pontiac station wagon) applied against the cost of the new car, appropriate money or transfer from available funds in the treasury for same, or act in any manner relating thereto.

VOTED that the town raise by taxation and appropriation the sum of \$2,994.00 for the purchase of a new police cruiser and the allowance on the old car (1969 Pontiac station wagon) be applied against the cost of the new car.

MOTION made by Mr. Donald M. Kuhn that this meeting be recessed until Monday, March 15, 1971 at 7:30 P.M. in this hall.

VOTED that this meeting be recessed until Monday, March 15, 1971 at 7:30 P.M. in this hall.

Meeting recessed at 11:09 P.M.

ARTHUR D. THORNE

Town Clerk

Tellers:	Russell Brodeur	Edward Kerwin
	Joseph T. Cassidy	John E. Murphy
	Varoujan Karentz	Herbert F. Works

Article 30. To see if the town will vote to amend Section 3 of Article III of the Millis By-Laws by adding at the end thereof the words "and the town Moderator," or act in any manner relating thereto.

VOTED that the town amend Section 3 of Article III of the Millis By-Laws by adding at the end thereof the words "and the town Moderator."

Article 31. To see if the town will vote to amend the by-laws of the Town of Millis by adding under Police Regulations, Article VIII, the following new section:

"Section 26. No individual or organization shall solicit homes, businesses or industries in the town for the purpose of inducing anyone to enter into a contract for goods or services without first having supplied to the Millis Police Department in writing, the name and address of any individual or organization making such solicitation and the names and addresses of all individuals making such solicitations for the organization, the purpose for which the

solicitation is to be made, the dates and times within which the solicitation will be made and the area of the town within which the solicitation will be made." or act in any manner relating thereto.

MOTION made by Mr. Charles W. Batchelder that the town vote to amend the by-laws of the Town of Millis by adding under Police Regulations, Article VIII, the following new section:

"Section 26. No non-resident individual or organization shall solicit in person homes in the town for the purpose of inducing anyone to enter into a contract for goods or services without first having supplied to the Millis Police Department in writing, the name and address of any individual or organization making such solicitation and the names and addresses of all individuals making such solicitations for the organization, the purpose for which the solicitation is to be made, the dates and times within which the solicitation will be made and the area of the town within which the solicitation will be made."

AMENDED MOTION made by Mr. Johannes A. Bloemen that following the word "organization" shall be added "except a non-profit organization represented by a resident of the town."

By **VOICE VOTE** the **AMENDED MOTION** was Carried.

VOTED that the town amend the by-laws of the Town of Millis by adding under Police Regulations, Article VIII, the following new section:

"Section 26. No non-resident individual or organization shall solicit in person homes in the town for the purpose of inducing anyone to enter into a contract for goods or services without first having supplied to the Millis Police Department in writing: the name and address of any individual or organization, except a non-profit organization represented by a resident of the town, making such solicitation and the names and addresses of all individuals making such solicitations for the organization; the purpose for which the solicitation is to be made; the dates and times within which the solicitation will be made and the area of the town within which the solicitation will be made." (Article 31 reconsidered later on in the meeting.)

Article 32. To see if the town will vote to amend the dog control by-law by adding at the end of Section 1 thereof the following: "All fees collected pursuant to the provisions of this section and not otherwise committed by

General Law or by-law shall be turned over to the dog officer as collected for his own use," or act in any manner relating thereto.

VOTED that the town amend the dog control by-law by adding at the end of Section 1 thereof the following: "All fees collected pursuant to the provisions of this section and not otherwise committed by General Law or by-law shall be turned over to the dog officer as collected for his own use."

Article 33. To see if the town will vote to amend Section 19 of the Millis Building Code by striking out the word "residential" wherever it might appear in the sections entitled "Plans," "Enclosure," "Applicability of Sections," and "Set-Backs;" by striking out the subsection entitled "Lighting" in said Section 19 and inserting in place thereof the following: "Electrical-Lighting, filter systems and related electrical wiring shall require a permit and shall be done in accordance with the National Electrical Code. All lighting of an outdoor pool or its enclosure shall be directed at the pool and the source of light shall be shielded from view from any street or adjoining property;" by inserting at the end of the first paragraph of subsection entitled "Set-Backs" of said Section 19 the following: "except that the Building Inspector may at his discretion permit water to be put into the pool during construction," or act in any manner relating thereto.

VOTED that the town amend Section 19 of the Millis Building Code by striking out the word "residential" wherever it might appear in the sections entitled "Plans," "Enclosure," "Applicability of Sections," and "Set-Backs;" by striking out the subsection entitled "Lighting" in said Section 19 and inserting in place thereof the following: "Electrical-Lighting, filter systems and related electrical wiring shall require an electrical permit and shall be done in accordance with the National and Massachusetts Electrical Code. All lighting of an outdoor pool or its enclosure shall be directed at the pool and the source of light shall be shielded from view from any street or adjoining property;" by inserting at the end of the first paragraph of subsection entitled "Set-Backs" of said Section 19 the following: "except that the Building Inspector may at his discretion permit water to be put into the pool during construction."

Article 34. To see if the town will vote to raise and appropriate, or transfer from unappropriated funds available in the treasury, a sum of money for partial reimbursement to the City of Chelsea for payments made to Earl G.

Bryd pursuant to the provisions of Section 59A of Chapter 32 of the General Laws, or act in any manner relating thereto.

VOTED that the town raise by taxation and appropriation the sum of \$138.52 for partial reimbursement to the City of Chelsea for payments made to Earl G. Bryd pursuant to the provisions of Section 59A of Chapter 32 of the General Laws.

Article 35. To see if the town will vote to accept from Eden Developers, Inc. lot 39, Eden Street, shown on plan No. 619 of 1962, Norfolk Registry of Deeds, located southerly of the present Eden Street location and running easterly from Dover Road to Main Street; also lot#17, Land Court Case No. 14939L shown on file plan dated February 1, 1962, located northerly of the present Eden Street location and running easterly from Dover Road towards Main Street. Both parcels to be used for highway purposes and subject to passing rights of abutting lots, together with any taking by the County of Norfolk on the westerly ends at Dover Road. Also Lot Q shown on plan dated October 24, 1968 by Bowie Engineering Co., containing 13641 square feet, being adjacent to a portion of the Town Pit and being 15' in width, Eden Developers, Inc. reserving a utility easement 25 feet in width adjacent to and parallel to the westerly boundary of said Lot Q.

The consideration being that the town authorize the Selectmen to deed to Eden Developers, Inc. that certain parcel of land located on the southerly side of Island Road, containing 63,312 square feet, and shown as lot R on plan dated October 24, 1968 by Bowie Engineering Co., together with a 25' wide utility easement adjacent to and parallel to the westerly boundary line of the town's remaining parcel, running northerly from Lot Q to land of the railroad.

MOTION made by Mr. Francis J. Collins that Article 35 be Dismissed.

VOTED to Dismiss Article 35.

Article 36. To see if the town will vote to purchase, or take by eminent domain pursuant to the provisions of Chapter 79 of the General Laws for the purpose of gravel removal for municipal use, a portion of the land off Island Road owned by Eden Developers Co. Inc., being designated as "Area-1 of 15 Acres" on plan entitled "Plan of Industrial Zoned Land in Millis, Mass. Property of Eden Developers Co. Inc." dated August 11, 1967 by Bowie Engineering Co., raise and appropriate a sum of money for same and deter-

mine whether the money shall be provided for by taxation, appropriation from available funds in the treasury or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. Francis J. Collins that Article 36 be Dismissed.

VOTED to Dismiss Article 36.

Article 38, on request of the Finance Committee, was acted on before Article 37.

Article 38. To see if the town will vote to raise and appropriate an amount of money to be expended under the direction of the Board of Selectmen for the purposes of engineering, appraisal and related costs pursuant to the purchase or taking by eminent domain of land adjacent to the Millis Town Dump on Island Road, and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the town raise by taxation and appropriation the sum of \$1,000.00 to be expended under the direction of the Board of Selectmen for the purposes of engineering, appraisal and related costs pursuant to the purchase, or taking by eminent domain of land adjacent to the Millis Town Dump on Island Road.

Article 37. To see if the town will vote to purchase, or take by eminent domain pursuant to the provisions of Chapter 79 of the General Laws for waste disposal purposes the land on the southerly side of Island Road now or formerly owned by Augustus Moran, also known as Augustus R. Moran, adjacent to the Millis Town Dump, shown as Parcel 33 and Parcel 35 on Millis Assessors' Map 17, containing 2.5 acres and 17 acres respectively, more or less, and recorded at Book 2644, Page 457, in the Norfolk Registry of Deeds, raise and appropriate a sum of money for same and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. Francis J. Collins that Article 37 be Dismissed.

VOTED to Dismiss Article 37.

Article 39. To see if the town will vote to raise and appropriate the sum of \$2,500.00 to be used for land appraisal for school building purposes, or act in any manner relating thereto.

VOTED that the town raise by taxation and appropriate the sum of \$2,500.00 to be used for land appraisal for school building purposes.

Article 40. To see if the town will vote to authorize the Board of Selectmen to convey to Upland Game Inc. in consideration of \$1,000.00 a parcel of land on Baltimore Street in the town of Millis bounded and described as follows: "Westerly by Baltimore Street, Southerly and Easterly by land now or formerly of Jones, Northerly by the Charles River, containing one-half acre, more or less," being a portion of the property conveyed to the town of Millis by deed to Jennie C. Wall dated January 20, 1920, and recorded with Norfolk Registry of Deeds Book 1478, Page 365.

MOTION made by Mr. Millard B. LaCroix that Article 40 be Dismissed.

VOTED to Dismiss Article 40.

Article 41. To see if the town will vote to accept Chapter 41 Section 108L as inserted by Chapter 835 of the Acts of 1970 establishing a career incentive pay program for regular, full-time police officers and providing for partial reimbursement by the Commonwealth of Massachusetts, or act in any manner relating thereto.

MOTION made by Mr. Talbot Dewey that Article 41 be Dismissed.

By VOICE VOTE it was VOTED to Dismiss Article 41.

to Alma Road, or act in any manner relating thereto.

MOTION made that Article 60 be Dismissed.

VOTED to Dismiss Article 60.

At this time the Moderator asked for a motion for reconsideration of Article 31 for the purpose of clarification.

MOTION made by Mr. Charles W. Batchelder to reconsider Article 31.

VOTED to reconsider Article 31.

Article 31. To see if the town will vote to amend the by-laws of the Town of Millis by adding under Police Regulations, Article VIII, the following new section:

"Section 26. No individual or organization shall solicit homes, businesses or industries in the town for the purpose of inducing anyone to enter into a contract for goods or services without first having supplied to the Millis Police Department in writing, the name and address of any individual or organization making such solicitation and the names and addresses of all individuals making such solicitations for the organization, the purpose for which the solicitation is to be made, the dates and times within which the solicitation will be made and the area of the town within which the solicitation will be made," or act in any manner relating thereto.

MOTION made by Mr. Charles W. Batchelder that the town vote to amend the by-laws of the Town of Millis by adding under Police Regulations, Article VIII, the following new section:

"Section 26. No non-resident individual or organization shall solicit in person homes in the town for the purpose of inducing anyone to enter into a contract for goods or services without first having supplied to the Millis Police Department in writing, the name and address of any individual or organization making such solicitation and the names and addresses of all individuals making such solicitations for the organization, the purpose for which the solicitation will be made and the area of the town within which the solicitation will be made. If any provision of this by-law is found to be unconstitutional or for any reason invalid by the Attorney General of the Commonwealth of Massachusetts or by any court, it shall not impair the validity of any of the

remaining provisions."

AMENDED MOTION made by Mr. Johannes A. Bloemen that following the word "organization" shall be added "except a non-profit organization represented by a resident of the town."

By VOICE VOTE the AMENDED MOTION was Carried.

VOTED that the town amend the by-laws of the Town of Millis by adding under Police Regulations, Article VIII, the following new section: "Section 26. No non-resident individual or organization shall solicit in person homes in the town for the purpose of inducing anyone to enter into a contract for goods or services without first having supplied to the Millis Police Department in writing; the name and address of any individual or organization, except a non-profit organization represented by a resident of the town, making such solicitation and the names and addresses of all individuals making such solicitations for the organization; the purpose for which the solicitation is to be made; the dates and times within which the solicitation will be made and the area of the town within which the solicitation will be made. If any provision of this by-law is found to be unconstitutional or for any reason invalid by the Attorney General of the Commonwealth of Massachusetts or by any court, it shall not impair the validity of any of the remaining provisions."

Article 62, on request of the Finance Committee, was acted on before Article 61.

Article 62. To see if the town will vote to accept Section 6 of Chapter 85 of the General Laws allowing the town to cause snow and ice to be removed from its permanent sidewalk constructed of brick, stone, cement, concrete or asphalt and providing that the assessors may assess upon estates abutting on such sidewalks from which snow or ice has been removed the whole or any part of the cost of such removal, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine that the town accept Section 6 of Chapter 85 of the General Laws which will allow the town to cause snow and ice to be removed from its permanent sidewalk constructed of brick, stone, cement, concrete or asphalt providing that the assessors may assess upon estates abutting on such sidewalks from which snow or ice has been removed the whole

or any part of the cost of such removal.

AMENDED MOTION made by Mr. John F. St. Cyr to strike out everything after the word "asphalt."

By VOICE VOTE the AMENDED MOTION Carried.

VOTED that the town accept Section 6 of Chapter 85 of the General Laws which will allow the town to cause snow and ice to be removed from its permanent sidewalk constructed of brick, stone, cement, concrete or asphalt.

Article 61. To see if the town will vote to accept the provisions of Section 7 of Chapter 40 of the General Laws which would authorize the town to appropriate money for the removal of ice and snow from its sidewalks in accordance with the provisions of Section 6 of Chapter 85, or act in any manner relating thereto.

VOTED that the town accept the provisions of Section 7 of Chapter 40 of the General Laws which will authorize the town to appropriate money for the removal of ice and snow from its sidewalks in accordance with the provisions of Section 6 of Chapter 85.

Article 63. To see if the town will vote to accept Section 6F of Chapter 40 of the General Laws which would authorize the town to repair private ways open to the public use for six years or more under certain terms and conditions, or act in any manner relating thereto.

VOTED that the town accept Section 6F of Chapter 40 of the General Laws which will authorize the town to repair private ways open to the public use for six years or more under certain terms and conditions.

Article 64. To see if the town will vote to authorize, raise and appropriate a sum of money to be expended under the Department of Public Works to install culvert pipe arches to widen the roadway and bridge at the westerly end of Orchard Street and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. Elliott L. Gessman that Article 64 be Dismissed.

By VOICE VOTE the MOTION to Dismiss Article 64 was Lost.

VOTED that the town raise by taxation and appropriate the sum of \$8,000.00 to be expended under the Department of Public Works to install culvert pipe arches to widen the roadway and bridge at the westerly end of Orchard Street.

Article 65. To see if the town will vote to raise and appropriate a sum of money for a school zone on Plain Street as authorized by the Massachusetts Department of Public Works Permit No. B-217 and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the town raise by taxation and appropriate the sum of \$3,050.00 for a school zone on Plain Street in accordance with the Massachusetts Department of Public Works Permit No. B-217. The reimbursement from the state to be restored upon receipt to unappropriated available funds in the treasury.

Article 66. To see if the town will vote to raise and appropriate a sum of money to be expended under the direction of the Board of Selectmen for the purposes of engineering and related costs to complete the investigations of lands recommended for acquisition by the town for sanitary land fill as recommended by the Town of Millis Dump Investigating Committee and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. Daniel L. Murphy that Article 66 be Dismissed.

After considerable discussion, MOTION for Previous Question was made by Mr. George DeAngelis. It was UNANIMOUSLY VOTED to call for the Previous Question.

By VOICE VOTE the MOTION to Dismiss Article 66 was Lost.

VOTED that the town raise by taxation and appropriate a sum of \$3,000.00 to be expended under the direction of the Board of Selectmen for the purposes of engineering, test borings, appraisal and related costs to complete the investigation of lands recommended for acquisition by the town for sanitary land fill as recommended by the Town of Millis Dump Investigating Committee.

Article 67. To see if the town will vote to raise and appropriate a sum of money to purchase a 15-ton shoveldozer and trailer recommended for sanitary land fill operations and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Section 7 of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine that Article 67 be Dismissed.

VOTED to Dismiss Article 67.

MOTION made by Mr. James T. Power for reconsideration of Article 41.

By VOICE VOTE the MOTION for reconsideration was Lost.

Article 68. To see if the town will vote to raise and appropriate a sum of money to be expended under the direction of the Department of Public Works for the purposes of completing the drainage project on the Cassidy land off Exchange Street, a distance of approximately 250 feet, and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Section 7 of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the town raise by taxation and appropriate the sum of \$3,558.00 to be expended under the direction of the Department of Public Works for the purpose of completing the drainage project on the Cassidy land off Exchange Street for a distance of 250 feet.

Article 69. To see if the town will vote to raise and appropriate a sum of money to be expended under the direction of the Department of Public Works for drainage projects and determine whether the money shall be pro-

vided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act on any manner relating thereto.

VOTED that the town raise by taxation and appropriate the sum of \$7,800.00 to be expended under the direction of the Department of Public Works for drainage projects.

Article 70. To see if the town will vote to appropriate a sum of money to make the following water main extensions for the purpose of eliminating dead ends: Oakview Street to Exchange Street, approximately 500 feet of 8-inch pipe; Union Street from junction of Curve Street to junction of Irving Street, approximately 350 feet of 8-inch pipe; Dyer Street from junction of Village Street to junction of Pleasant Street, approximately 790 feet of 6-inch pipe; and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine that the town vote to appropriate the sum of \$4,740.00 to extend the water main approximately 790 feet with 6 inch pipe on Dyer Street from the junction of Village Street to the Junction of Pleasant Street and transfer \$4,740.00 from the Water Available Surplus Account for this purpose.

AMENDED MOTION made by Mr. Simon Novick, "eight inch pipe instead of six inch pipe."

By VOICE VOTE the AMENDED MOTION was Lost.

AMENDED MOTION made by Mr. George D. Cassidy, Jr., "to charge a betterment of \$2.50 per running foot for this extension."

By VOICE VOTE the AMENDED MOTION Carried.

VOTED that the town appropriate the sum of \$4,740.00 to extend the water main approximately 790 feet with 6 inch pipe on Dyer Street from the junction of Village Street to the junction of Pleasant Street and transfer \$4,740.00 from the Water Available Surplus Account for this purpose, and to

charge a betterment of \$2.50 per running foot for this extension.

Article 71. To see if the town will vote to appropriate a sum of money to extend an 8-inch water main approximately 475 feet in Causeway Street for the purpose of replacing a plastic pipe in the street and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from Water Available Surplus the sum of \$2,900.00 to extend a 6 inch water main approximately 475 feet in Causeway Street for the purpose of replacing pipe.

Article 72. To see if the town will vote to extend an eight-inch cast iron water main in Main Street a distance of 1600 feet, partially in Millis and partially in Medway, for the purpose of connecting to the Town of Medway water system for emergency use, appropriate a sum of money for same and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

By rising count, "Yes" 190 — "No" 2, it was VOTED that the town authorize the extension of an eight-inch cast iron water main in Main Street a distance of 1600 feet, partially in Millis and partially in Medway, for the purpose of connecting to the Town of Medway water system for emergency use; that the abutters shall be assessed at \$2.50 per foot of frontage, that \$2,080.00 be transferred from the Medway Water Connection Account and in addition the Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of \$12,000.00 for a maximum of 10 years.

Article 73. To see if the town will vote to raise and appropriate a sum of money to repair the brick masonry on the water department garage, or act in any manner relating thereto.

VOTED that the town appropriate the sum of \$500.00 to repair the brick and masonry on the water department garage and transfer \$500.00 from the Water Available Surplus Account for this purpose.

Article 74. To see if the town will vote to acquire, purchase or take by

eminent domain the land off the easterly side of Village Street in the Town of Millis for the purpose of a well site for the Town of Millis water system, said land being shown on plan by Bowie Engineering Co. dated January 15, 1971, containing three parcels totalling 15.0 acres, more or less, supposedly owned by James Colello, Dover Street Development Corporation and G. Nesbit Clark, together with the necessary rights-of-way and easements, raise and appropriate a sum of money for same, and determine whether the money shall be provided for by taxation, by appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in manner relating thereto.

MOTION made by Mr. James W. Murphy that Article 74 be Dismissed.

VOTED to Dismiss Article 74.

Article 75. To see if the town will vote to appropriate a sum of money to construct a gravel packed well with pumping station on land off Village Street in the Town of Millis as described in Article 74 and to connect a 12-inch water main approximately 5000 feet from the well site to an existing 12-inch water main in Main Street, determine whether the money shall be provided for by taxation, by appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mr. James W. Murphy that Article 75 be Dismissed.

VOTED to Dismiss Article 75.

Article 76. To see if the town will vote to transfer money of the George Barden Fund to Evening Practical Arts Account or act in any manner relating thereto.

VOTED that the town transfer the money in the George Barden Fund to Evening Practical Arts Account.

Article 77. To see if the town will vote to appropriate a sum of money for the painting of the exterior of Memorial School or act in any manner relating thereto.

VOTED that the town raise by taxation and appropriate the sum of \$1,200.00 for the painting of the Memorial School.

Article 78. To see if the town will vote to appropriate a sum of money to repair the cornice at the Memorial School or act in any manner relating thereto.

VOTED that the town raise by taxation and appropriate the sum of \$938.00 to repair the cornice at the Memorial School.

Article 79. To see if the town will vote to appropriate a sum of money to establish a recreation program for physically and mentally handicapped children, and determine whether the money shall be provided for by taxation, or by appropriation from available funds in the treasury, or act in any manner relating thereto.

VOTED that the town raise by taxation and appropriate the sum of \$400.00 to establish a recreation program for physically and mentally handicapped children.

Article 81. To see if the town will vote to appropriate a sum of money to erect a school bus shelter to be attached to the public works garage or act in any manner relating thereto. Approximate dimensions 100' x 24' x 14'.

MOTION made by Mr. Clifford D. Thatcher that Article 81 be Dismissed.

By VOICE VOTE it was VOTED to Dismiss Article 81.

More than seven voters questioned the vote and a standing vote was taken. By rising count, "Yes" 125 — "No" 64, it was VOTED to Dismiss Article 81.

Article 82. To see if the town will vote to raise by taxation and appropriate \$8,928.98 to pay the unpaid bills incurred by departments as listed for expenditures in excess of their appropriations for the fiscal year 1970, or or act in any manner relating thereto.

IN MEMORIAM

William F. Wright

1903 - 1971

The town of Millis lost a dedicated worker with the death of William F. Wright on November 27, 1971. Mr. Wright served on the Millis Zoning Law Board of Appeals since its inception more than 20 years ago as its first chairman and still chairman at his resignation in March 1971. Born in Millis, he attended Millis schools and Boston University and was the well known publisher of a widely read local newspaper, the Milford Daily News.

REPORT OF THE ZONING LAW APPEAL BOARD

The appeal board held 19 hearings during the past year.

Jan. 6 – Owens Trust granted special permit to construct two-family dwellings.

Feb. 17 – John E. Sullivan, 230 Farm Street, granted variance for lot 23A on Farm Street.

Feb. 17 – John E. Sullivan, 230 Farm Street, granted special permit to erect a two family dwelling on lot 7A, Main Street.

Feb. 17 – Mrs. Christian Herter, Millis, granted special permit to construct a 12 by 14 foot room as an addition to caretaker cottage.

Mar. 3 – Huna Rosenfeld, Millis, refused permit to change location and design of Building No. 1 at Milliston Apartments.

Mar. 17 – J. Howard Sarris, 116 Cottage Street, granted special permit to erect additional room 16 by 30 feet to present building.

Apr. 15 – Joseph Thibault, 88 Village Street, refused permit to split the house lot at that address.

May 5 – Milford W. and Virginia Kenney, 76 Bullard Lane, granted a variance to construct a horse stable.

July 21 – Diversified Associates Inc., Millis, granted a permit to remove sand and gravel for one year from property on Island Road.

July 21 – Albert DiGiacomo, Jr., Walpole, refused permit to fill land on Main Street opposite Dover Road.

July 21 – George E. and Carolyn Nye, 53 Daniels Street, granted permit to convert existing two-family dwelling to a four-family dwelling on lot 4, Daniels Street.

July 21 — Samuel Powel, 80 Island Road, granted permit to sell art objects, handicrafts, antiques and garden products.

Aug. 25 — Daniel L., Claire K., James W., Kathleen M. Murphy, granted variance for premises at 916 Main Street to be used for commercial purposes.

Sept. 15 — Nancy C. Mandell, 261 Village Street, refused variance for construction of a modular house.

Oct. 13 — Leonard F. Campbell, 29 Bow Street, granted variance for a twelve by twenty foot addition to present structure.

Nov. 3 — James A. and Kathryn Reger, 220 Orchard Street, refused variance of frontage requirements.

Nov. 17 — Huna Rosenfeld, 361 Orchard Street, granted special permit to construct apartment units on Main Street.

Dec. 1 — National Can Company, Main Street, granted special permit to erect a sign 36 feet long and 40 inches high on Main Street.

Nov. 3 — Manuel Freed, 1463 Main Street, granted variance to erect a sign 96 inches by 96 inches on premises.

COLLINS C. O'CONNOR, Chairman

REPORT OF THE CIVIL DEFENSE DIRECTOR

All requests of the state and sector directors have been fulfilled and all reports requested completed.

Our radio officer has taken part in all radio alerts and drills.

Trips have been made to the civil defense base at Taunton in the interest of the town.

I wish to thank the board of selectmen and the citizens for their support, especially the personnel at the dispatch office.

Sincerely yours,

JOHN J. WARD

REPORT OF CONSERVATION COMMISSION

The past year has been one of significant effort to establish a foundation upon which positive actions in regard to conservation requirements can move forward. This has involved an in-depth review by members of the commission of all the acreage within the wetlands in order that the wetland indexing could be finalized. We also have completed preliminary plans upon which we expect a master conservation and recreation plan will evolve in 1972. This plan is fundamental to preserve and protect the scenic and natural resources of the community in the future.

The commission was involved in the spring roadside clean-up activities, and expresses its appreciation to the youth and adults of the community who graciously participated.

The commission was successful in obtaining a van - placed at the dump, in which papers are stored and later recycled with a small payment being made to the community. Emphasis was also given to publicizing the glass and can recycling facilities available in the towns.

Meetings were held with GAF management to determine their plans for pollution control at the local plant. The commission, although recognizing that plans are in existence for improvement in regard to fume control, is disturbed that the promises given for the completion of the effort are not being met by GAF.

Respectfully submitted,

GORDON W. HOWE, Chairman

REPORT OF DRAINAGE INVESTIGATING COMMITTEE

The Millis Drainage Committee is closing the second consecutive year of appointment and investigation for the selectmen.

We have met at the town office in open meetings, monthly, on the third Thursday at 7:30 P.M., to be available for discussions of problems with the selectmen, public works department, planning board, other Millis officials and for owners and the public of the town.

Our detailed report to the selectmen not only includes case problems heard, investigated, and deliberated for 1971, but also a review of recommendations made in our report closing 1970 with cost estimates of work included.

We have also recommended special problems that should be considered under separate articles since they merit engineering study, contract drawings and cost more than those of general maintenance nature.

We wish to thank the taxpayers who have had to wait for working solutions based on appropriations of this type expenditure.

We bring to your attention the more complicating factors of this period that involve the building inspector, board of health, Massachusetts Department of Public Health, Massachusetts Department of Natural Resources and the influence of the Hatch Act and water pollution control as the drainage investigation problems move toward and border on the Charles River.

This committee remains willing to study and recommend for all cases brought to our attention.

Respectfully submitted,

CHARLES G. ELLIS

REPORT OF THE DUMP INVESTIGATING COMMITTEE

The report of the dump investigating committee for 1971 is substantially the same as the report submitted last year with the recommendation that that report be studied and implemented as recommended.

Respectfully submitted,

E. PETER BOSSE, Chairman

REPORT OF THE SWASCC SOLID WASTE DISPOSAL COMMITTEE

To the Board of Selectmen:

At your request, I have represented the town of Millis on the southwest area solid waste disposal committee which is made up of the following towns: Foxboro, Franklin, Medfield, Millis, Medway, Norfolk, Norwood, Sharon, Walpole, Westwood and Wrentham.

This committee has been formed representing the selectmen of these towns in order to investigate the advisability of setting up a regional solid waste disposal area for these towns. We have had several meetings during the year, the reports of which have been sent to you.

Basically, we are looking into the feasibility of establishing a regional disposal system in the town of Walpole across from the Walpole State Prison on property presently owned by the state. The proposed system is an incinerator-type disposal system with the strong possibility of recycling facilities.

We are presently waiting the results of a survey made by the Raytheon Corporation regarding regional solid waste disposal areas and this report will be available to us on March 1, 1972.

The area disposal solution would be some 5 years away but would be our only long-term solution to our solid waste disposal problem.

Respectfully submitted,

E. PETER BOSSE

REPORT OF THE FIRE DEPARTMENT

This department responded to 241 calls as follows: 2 bomb scare, 3 lost children, 8 building, 4 oxygen, 48 grass, 14 false alarm, 6 oil burner, 20 car fires, 6 car accidents, 8 cat rescue, 39 investigations, 3 power failure, 11 mutual aid, 6 stove fires, 4 water in cellar, 34 house duty, 25 town dump fires.

The Medfield, Medway and Norfolk Fire Departments assisted this department at various fires during the year.

Eleven practice sessions for the department were held and several men along with the officers attended training sessions.

All school fire alarms were tested every 60 days and town owned buildings were inspected quarterly as required by The New England Insurance Underwriters. Rest homes and hotels were inspected quarterly as required by state law.

I wish to thank the board of selectmen, the police department and the citizens for their support, especially the personnel at the dispatch office.

Sincerely yours,

JOHN J. WARD, Fire Chief

IN MEMORIAM

Hugh J. McCarthy

1888 - 1972

Hugh J. McCarthy served the town of Millis well for 19 years as plumbing and gas inspector until his sudden death at age 84 on January 5, 1972. He was born in Medfield, lived in Millis 52 years and was a member of Local 12 of the Plumbers Union almost 60 years.

REPORT OF THE BOARD OF HEALTH

In accordance with Chapter III, Section 27 of the General Laws, the board organized on March 8, 1971, with Paul J. Cleveland, chairman; John J. Lyons, clerk; and Thomas J. Fleming Sr., member.

The dates of the regular meetings were set for the first and third Tuesday of each month at 8:00 p.m. in the town office.

BOARD OF HEALTH APPOINTMENTS

Milk Inspector	Philip J. Gavin Jr.
Burial Agent	Arthur D. Thorne
Asst. Burial Agent	Roma L. Curran
Plumbing and Gas Inspector	Hugh J. McCarthy Sr.
Agent	Thomas J. Fleming Sr.
Asst. Agents.....	John J. Lyons
	Paul J. Cleveland
	Shirley M. Rowley

COMMUNICABLE DISEASES

The following communicable diseases were reported to the board of health by physicians during 1971:

Chicken pox	120
Scarlet fever	6
Strep throat	5

PERMITS AND LICENSES ISSUED BY THE BOARD OF HEALTH

Food service establishment	33
Retail	5
Bottling	1
Transport and dispose offal	6
Swimming pools	2
Manufacture citrus mixes	1
Funeral home	1

Septic tank	
New installations	22
Modification of existing facilities	18
Complaints received and investigation on record	15
Dog bites	8
Animal bites	2

MILK INSPECTOR

During the past year all samples of milk tested were found to conform with the minimum standards set by the Mass. Department of Public Health.

The following permits were issued and the money for same turned over to the town treasurer.

5 Oleomargarine permits	\$2.50
18 Milk permits	9.00

AGENT FOR THE BOARD OF HEALTH

For the year 1971 22 new septic tank installation inspections were made plus 18 inspections for modification of existing facilities. Miscellaneous complaints were received and appropriate action taken where necessary.

REPORT OF THE GAS AND PLUMBING INSPECTOR

Gas permits issued	59
Gas permits approved	58
Plumbing permits issued	40
Plumbing permits approved	40

We are indeed saddened by the loss of Mr. Hugh J. McCarthy Sr., gas and plumbing inspector, who passed away on January 5, 1972. We appreciate the cooperation given to the town of Millis by Mr. McCarthy during the years he served as gas and plumbing inspector.

7. Dental clinics	31

The Millis Board of Health Nursing Service office is located at the Millis Jr.-Sr. High School. In order to acquaint Millis residents with our services, they are mentioned in the following report.

The visiting nurse's services are available to anyone within the town regardless of economic or social status, color or creed.

Nursing care is given only under the orders of a physician. A single visit can be made but care can be continued only with a diagnosis and directions from a physician.

Functions of the visiting nurse include giving sponge, tub and special baths, surgical dressings, irrigations, exercises, blood pressure readings, hypodermic injections, catheter care, enemas, colostomy care, massage and lamp teaching.

She also teaches the patient and family about patient care, helps the family and patient accept the situation, interprets the doctor's orders to both patient and family and provides moral support. The visiting nurse interprets the patient's view to the family and vice versa, aids the family and patient to understand diet lists and restrictions, instructs in personal hygiene and points out

hazards in the home to prevent accidents. The nurse makes nursing, advisory and health education calls: prenatal, post partum and newborn calls and counsels.

Services are paid for by the patient or family, health insurance, the Cancer Society, government agencies, Medicare and others.

A contract with the Easter Seal Society provides us with additional rehabilitation services: physical therapy, occupational therapy, speech therapy and social work counselling.

Home Health Services Inc. is a newly formed non-profit social agency for the purpose of establishing service for individuals and families. Trained and supervised individuals may go into a home to help maintain and preserve family life that is threatened with disruption by illness, death, social maladjustment or other problems. Homemakers will be available for employment upon completion of a training course. We hope this will soon be available to Millis.

The Millis Board of Health Nursing Service has a "loan closet" for residents. Sick room items available include walkers, adjustable crutches, wheelchairs, hospital beds, side rails and many small items.

All the information mentioned is for anyone needing a visiting nurse service. The visiting nurse is more than a nurse—she may be a friend with news, the absent or non-existent daughter who gives affection, the mother image, a reliable figure or the advisor to counsel regarding future plans.

In addition to the above report, the Nursing Service is very actively involved and responsible for the School Health Program. (See School Health Program report.)

REPORT OF PROFESSIONAL-MEDICAL ADVISORY COMMITTEE

Several meetings were scheduled and many telephone calls made and notices sent but no one attended the meetings.

Due to this, a new committee is being formed and, hopefully, will be more active in formulating health programs for the town.

Respectfully submitted,

BOARD OF HEALTH

PAUL J. CLEVELAND, Chairman

JOHN J. LYONS, Clerk

THOMAS J. FLEMING, SR.

REPORT OF THE MILLIS HOUSING AUTHORITY

The Millis Housing Authority has been renting units since 1965. These low-rent housing apartments for the elderly are state subsidized and are not a financial burden to the town.

The project exterior paint was renewed this year. Each apartment as vacated is redecorated.

We are fortunate to have as our maintenance superintendent Mr. Sumner Rich, who is a resident of Kennedy Terrace.

In the year 1972 we anticipate building more low-rent housing apartments for the elderly.

WILLIAM T. DEAN, Chairman

REPORT OF THE INSPECTOR OF ANIMALS

The annual barn inspection and animal census has been completed as directed by the Mass. Department of Animal Health.

There were forty-nine dog bites, two rat bites and one bat bite reported. The dogs were quarantined for ten days and then released.

Two rats and one bat were sent to the state biological laboratory for diagnostic examination. They were found negative for rabies.

All other work was carried out as ordered by the director.

Respectfully submitted,

TIMOTHY J. MCCARTHY

REPORT OF THE INSPECTOR OF WIRES

It required 479 visits and the logging of 2197 miles to process the inspections, fire and emergency calls made by this office during 1971.

Permits were issued as follows:

New dwellings:	single occupancy	7
	multiple occupancy	11
Increase of service		23
Additions		20
Renovations		9
Swimming pools		6
Water heaters		3
Dryers		4
Air Conditioners		2

Electric ranges	1
Commercial	27
Annual industrial	6
Temporary services	10
Fire repairs	5
Service repairs	2
Homeowner	2
Re-inspections	3
Town of Millis (no charge)	11

Appreciation and thanks to Mrs. Whitecross and Mrs. Germano for their untiring help and to my deputy, Dick Rooney, for his ready assistance.

Last, but by no means least, a thank you to my wife, Quine, for all those phone calls and messages and her patience during a very busy year.

Respectfully submitted,

TAUNO O. AALTO, SR.

REPORT OF THE INSURANCE INVESTIGATING COMMITTEE

Our committee was active during the year reviewing the existing insurance portfolio and talking with town employees and other interested townspeople concerning the insurance coverage. In November we submitted our recommendations to the board of selectmen. Among the recommendations were the following:

1. The town purchase higher limits of liability on its automobile and general liability policies.
2. The town purchase employees non-ownership coverage on its automobile liability policy.
3. The fire insurance values on the town's property be increased to current replacement values.

The board of selectmen have advised that they are exploring costs of our suggested changes.

Earlier we recommended to the town that it take the necessary action to bring Millis under the Federal Floor Insurance Program. If this is done, then any Millis private residence could be insured for damage caused by flood. Without this federally backed program, such coverage is probably unobtainable.

JOHN W. PURKIS, Chairman

REPORT OF THE LIBRARY TRUSTEES AND STAFF

"What to do when there's nothing to do" is a book title and also a theme song for many Millis residents of all ages. "Go to the library" is the answer.

One of the new programs this year was the opening of the library to senior citizens on Wednesday mornings, for use as a drop-in center. The use of Title I government funds enabled us to supply materials and equipment for several cultural-recreational projects for senior citizens including painting, crewel embroidery and rug hooking. Since men did not generally take advantage of the program, it became more and more geared to the ladies and their interests.

A junior library club was formed in April for the 4th to 6th grades who met during April vacation and completed various craft projects including making kites which were flown successfully at week's end. During the summer the junior library club members prepared and presented two puppet shows which were well attended by younger children and parents.

In July and August free outdoor movies were shown on Tuesday evenings for the second year. The size of the audience varied with the entertainment level of the films shown, extending to over 200 on one occasion. Mrs. Iseman

suggested to the recreation committee that they assume responsibility for this program so it may be fitted into the overall town recreation program and budget.

In August, the summer reading club registered about 75 children with about 50 completing the required 10 books necessary for eligibility for the annual outing by bus. This year's trip was to historic places around Boston including the Bunker Hill Monument, the Constitution. At the Boston Public Garden, a picnic lunch and a swan boat ride were enjoyed by all.

The meeting room continues to be well used for Millis groups. This year we added the senior citizen planning group, the new recreation committee, and a conservation group in addition to past users. We also found it necessary to house the reference magazine collection in the meeting room this year to make this collection more available to the public.

October saw the beginning of Thursday story hour and the unexpected influx of about 100 enthusiastic participants. In order to make this into working size groups, two additional story hour sessions were added, on Monday and Tuesday. Attendance and enthusiasm have been high on each day.

In November, during Children's Book Week, 27 classes of grades 1-4 visited the library with their teachers. Each child took one or more books back to school for classroom collections, which are later exchanged between classes of a grade level at school. The purpose of this program is to introduce the public library to all students so its location and arrangement are known to them.

A special vote of thanks this year is for volunteer Mrs. Jeanette Bowie of Union Street for her endless patience and help with several library programs. In the spring she conducted an enthusiastic class of 30 on Tuesday evenings in the making of a tote bag, and in the fall she conducted a class in rug braiding. On Wednesday mornings, during the senior citizens' drop-in sessions, she was always available to help with various handicraft projects, for which she has a particular talent.

For the second year, staff member Mrs. Dorothy Drew conducted a Christmas decorating class. She also loaned her collection of beautiful decorations to the library for display, for which we were most grateful.

On the negative side, the public library has become a "hang out" for many teen-agers in cold and inclement weather, resulting in reduced seating space available to the more serious library users. The question must be raised as to whether the library can or should continue to allow this usage of its facilities.

The trustees wish to thank many friends of the library for donating several hundred books, magazines and paperbacks which were useful additions to the collection.

For library staff

PATRICIA ISEMAN, Librarian

For the library trustees

BETTY L. TEMPLE, Chairman

Purchased books	1,790
Discarded books	70
Gift books	85
Total books	22,540

Registered borrowers denotes those who have registered since November 1970, when the library changed its charge system. Each registered borrower now has the library card with the metal plate.

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

To the Citizens of Millis:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the town of Millis for the year ending December 31, 1971.

Aerial larvicide	2340 acres
Misting from trucks	2075 acres
Winter pre-hatch dusting	88 acres
Drainage ditches cleaned	3235 feet
Brush cut	1860 feet
Culverts cleaned	9 culverts

Respectfully submitted,

ALBERT W. HEUSER,
Superintendent

REPORT OF THE PERSONNEL COMMITTEE

The personnel committee has reviewed the wage and fringe benefits of all town employees who come under the personnel bylaws. As in recent years, all town commissioners, department heads, appointed specials were invited to appear before our committee and the majority of these individuals responded.

Under Phase II of the Economic Stabilization Act, we were provided with certain guidelines which have been followed, in most instances. It is the

unanimous opinion of your personnel committee that we are presenting a fair and equitable salary range for your consideration in 1972.

The committee has available a current fringe benefit survey conducted by the Town of Medfield Personnel Board which included nineteen (19) surrounding cities and towns including Millis. In closely reviewing this information, your personnel committee feels that the employees do have a solid fringe benefit program with few exceptions. One of the areas we feel, however, that must be adjusted for regular full-time employees is in the area of over-time pay. It is our belief that if regular employees are required to work beyond their normal weekly hours, they should thus be compensated for this work.

The committee wishes to express its thanks to Mr. L. Daniel Carter for his many contributions in the past. We regret that he was unable to continue on the committee. We also are grateful to our newest member, Mr. Rene Scott, for his ideas and guidance during our deliberations.

We extend our thanks to the selectmen, D.P.W. commissioners, department heads, town employees and finance committee for their patience and assistance in arriving at a salary and fringe benefit program for 1972.

Respectfully submitted,

ROBERT E. READY, Chairman

REPORT OF THE PLANNING BOARD

During the year 1971 the planning board held twenty-two regular meetings, two special meetings and one public hearing.

Metcalf and Eddy, Engineers, consulted with the board on matters brought before it during the year.

Two members attended a seminar in planning sponsored by the Massachusetts Department of Community Affairs.

In 1969 the planning board made application under the Urban Planning Assistance Program, Section 701, for the purpose of preparing a comprehensive town plan. We have been constantly in touch with HUD trying to get the appropriation release. However, we have been advised that Millis is low on the priority list.

Respectfully submitted,

PAUL N. ROBINSON, Chairman

REPORT OF THE POLICE DEPARTMENT

To the Citizens of Millis:

I herewith submit my report of the Police Department for the year ending December 31, 1971.

Miscellaneous calls	14,271
Animal calls	602
Accidents	111
Accidents, hit and run	15
Accident, fatal	4

Failure to slow at intersection	1
Improper start	3
Operating w/o license	9
Operating under influence of alcohol	1
No financial transaction sticker	1
Operating w/o authority	1
Operating on restricted license	2
	<hr/>
Total	433

During the past year your police department has been appearing in court on almost a daily basis. The burden of preparation, continuity of evidence and prosecution both in district court and superior court this past year has been a large chore in itself.

Injuries suffered to some of the regular officers sustained in the line of duty and the transfer of personnel to other communities has necessitated the use of your special officers very often this year. I would like at this time to praise your special officers. They took their extra duties like real professionals and did a fine, fine job.

This year the ambulance again was busy, making 190 runs. The officers' availability and capability of handling patients contributed to the saving of many lives.

I would like to thank the townspeople and town departments for the excellent support they have shown your police department, with a special vote of thanks to the board of selectmen for the fine cooperation and support received from these men.

Loyally yours,

GEORGE J. SMITH, JR.
Chief of Police

REPORT OF THE SCHOOL LAND INVESTIGATING COMMITTEE

The work of the school land investigating committee was continued by the appointment of the members. Officers for the year were elected by the committee. As noted in the 1970 report, the committee placed primary emphasis on obtaining a comparative analysis of three potential sites, located on the following properties:

- The Paine property on Norfolk Street (approx 30 acres)
- The Powell property on Island Road (approx 30 acres)
- The Izbicki property on Exchange Street (approx 30 acres)

The March 1971 town meeting appropriated \$2,500 (Article 39) "to be used for land appraisal for school building purposes. . .". Accordingly, the firm of Roger E. Hardy and Associates of Medfield was hired to make a comparative analysis and report on the three above sites. The \$2,500 was expended as follows:

ANNUAL REPORT

111

Comparative land appraisals and report thereof, of three potential sites - (paid to Roger E. Hardy and Associates of Medfield)	\$1,000
Copies of selected assessors' maps - (paid to Bowie Engineering Company of Millis)	10
Total expenditure	\$1,010
Total appropriation	2,500
Balance (returned to town treasury)	\$1,490

Concurrently with the land appraisal effort, meetings were held with the Millis Department of Public Works to obtain other related development costs, with the planning board to ascertain the short and long range growth plans of the town, with the selectmen and other town boards to discuss alternative possibilities and with the school committee to coordinate efforts and to advise as to findings.

As a result of studying all available data, the land investigating committee unanimously recommends that, to fulfill its school expansion needs, the town acquire a 30-acre parcel of land on Norfolk Street. The parcel is part of a much larger tract owned by Paine Realty Trust.

The committee wishes to thank all those who contributed so much to make our work easier over the past year.

Sincerely,

LAWRENCE J. BERGEN, Chairman

VAROUJAN KARENTZ, Secretary

SCHOOL COMMITTEE REPORT

To the Citizens of Millis:

Members of your school committee for the months of January and February in 1971 included the following: Raymond L. Gehling, Jr., Chairman, John M. Ritchie, Secretary, John F. O'Rourke, Associate Member, Rev. Robert D. Fay, Associate Member and John H. Merrill, Associate Member.

Following the annual Town election the Committee held a special meeting and organized in the following manner: Raymond L. Gehling, Jr., reelected Chairman, Rev. Robert D. Fay, Secretary, John F. O'Rourke, Associate Member, John H. Merrill, Associate Member and Francis P. Keaney, Associate Member.

During the school year the Principals were present, by arrangement, to discuss personnel, programs, preliminary budgets and curricula.

Driver Education has been continued with the classroom instruction being given during the regular school day and the "Behind the Wheel Training" scheduled after school hours. The Fred C. Browne Ford Agency of Walpole makes two cars available for this purpose for which we are grateful.

The School Committee has sponsored youth summer recreational programs which include swimming and safety instruction at the Hopkinton State Park. Evening Practical Arts courses and classes in art for adults are planned during the school year.

School Committee policy relating to bids include preparation, advertising, public opening for the following contracts: bus, supplies, equipment, fuel, milk, bread, typewriters, etc.

Maintenance of school grounds and buildings is an ongoing process around the calendar.

Pupil insurance is offered on a voluntary basis to parents. Because of the numbers involved the rates are reasonable and serious consideration about participation in the program should be given by parents. At the opening of school each year, information concerning the program is made available. All claims to date have been honored which are in keeping with the coverage offered by the policy.

The Committee continues to serve as co-sponsor of the Brownies, Cub Scouts, Girl Scouts, Boy Scouts and Explorers.

The Committee voted that Raymond Gehling would be the delegate and Francis Keaney the alternate delegate at the annual meeting of the Massachusetts Association of School Committees which was held at the Sheraton-Hyannis, in October. Dr. Roy, Superintendent also attended this convention. The Committee maintains an active membership in the Area II School Committee Association.

The Committee has endorsed the participation of the local school system in many federal supported programs which include Public Law 89-10, Title I, Summer Elementary School Program; Title II, Library Program; and the National Defense Education Act Program. Leadership in these programs exerted by the Superintendent and Principals is most beneficial.

The School Committee and Millis Teachers' Association, an affiliate of the Massachusetts Teachers' Association, have established subcommittees to work out details relating to negotiations for 1972-73.

The School Committee has devoted much time and effort studying, adjusting and reviewing its budget with administrators, coordinators, department heads, cafeteria manager, and head custodian, and believe its request is a minimum to operate efficiently and effectively the schools for 1972.

In closing, the Committee wishes to extend its thanks to the members of the faculty, administrators, school personnel, Town Departments, American Legion, members of the PTA, the Lions Club, and the Townspeople for their cooperation and assistance in making the school year of 1971 beneficial and profitable.

Respectfully submitted,

RAYMOND L. GEHLING, JR.,

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Millis:

Herewith I present my twenty-third report as Superintendent of Schools. It is the eightieth report in a series of School reports which began in 1892. Included in my report are selections of the reports of the principals and other key personnel.

This year it is intended that the School report contain the necessary statistical reports:

Distribution of Minors	(October 1971)
School Calendar	(1971-72)
Grade Population	(October 1, 1971 School register)
School Personnel	(1971-72)
Financial Statement	(December 31, 1971)

Welcome to new members of our staff and success to them and good luck to those who have left our ranks.

The teachers of special subjects, department heads, coordinators, elementary chairmen, and coaches have submitted comprehensive reports of the activities of their areas during the past year. Many of these are excellent but this year we are not including excerpts from them, but acknowledging these in the following manner:

Reports were received from the following:

Mary K. Gavin	Mathematic Coordinator
Alice O'Regan	Business Department Head
Suzanne Whittemore	Foreign Language Dept. Head
Priscilla Lockwood	Science Department Head
Mary Welch	English Department Head
Ralph Henck	Industrial Arts Department Head
Joan Strathern	Librarian
Frank Gubala	Music Coordinator

Andrew Marak	Director of Athletics and Faculty Mgr.
Elaine Peterson	Girls Physical Education
Ernest Richards	Head Football and Baseball Coach
Paul Duca	Head Basketball Coach
Frank Glass, Jr.	Cross Country Coach
Russell Gilfoy	Art Coordinator
Eleanora T. Duross	Reading Analyst and Elementary Chair.
Karen Flynn	Reading - Secondary
Betty Cushman	Elementary Physical Education Instr.
Eileen Brown	Cafeteria Manager
John Trainor	Director of Guidance
Dennis Naughton	Acting Social Studies Dept. Head
Mary Masciulli	Elementary Mathematics Chairman
George Ford	Elementary Social Studies Chairman
Carole Martin	Elementary English Chairman
John Dushku	Elementary Science Chairman

Excerpts from the Principals, School Physician, School Dentists, School Nurse follow this report.

SCHOOL HOUSING - OUR MAJOR PROBLEM

For several years we have reported the major problem in the schools as one of School Housing.

The School Land Committee informed the School Committee at a recent meeting about its investigation of land for school purposes and added that at the Annual Town Meeting in 1972, it would recommend the acquiring of a certain parcel of land by the Town for such purposes.

Under Chapter 1010 of the Acts of 1971, the proposal which was supported by the Millis School Committee will allow communities listed as depressed by the Federal Government as eligible to receive 65% of the building cost and 65% of the interest charges for school building projects approved by the Massachusetts Division of School Facilities and Related Services.

The federal government will reevaluate communities again in October and we do not know whether Millis will remain on this list or not, so it is imperative that action be taken prior to that date by the town.

For many years since 1966 we have been using 10 classrooms for elementary purposes in the Memorial Annex which is on the second floor of the Junior Senior High School building.

Enrollment is increasing at the secondary level and this space which is used for elementary purposes should be assigned to the secondary level.

It is important that action be taken by the town prior to the October deadline to be sure that Millis will profit by the 65% reimbursement. As soon as a committee is established to determine school needs the administration - Superintendent's Office and that of the elementary administration and elementary faculty are ready to review the needs once again. This is of prime importance in 1972.

This proposed building will meet the educational needs of the elementary students and will save the town considerable money. This, in my judgment, is the number one educational priority in Millis.

Did you know

1. many of our elementary classrooms are housing 30 or more students?
2. that remedial reading is still taught in the supply closet in the Clyde Brown School?
3. that every classroom in the Memorial School is undersized to accommodate a class of 25?
4. that the pupil capacity of the Memorial School is 378 according to state standards?
 - a. that the present A.M. enrollment in the Memorial School is 386?
 - b. that the present P.M. enrollment in the Memorial School is 384?
5. that limited space limits school programs?
6. that the 10 rooms used for elementary purposes in the Junior Senior High School building curtail the expansion of secondary programs?

The time is here now for us to evaluate the overall school situation, including program, plant, and essential personnel, and sites for a more effective program to meet the educational, physical, and emotional problems of our youth.

SOME OBSERVATIONS

Briefly stated, our philosophy of education is one which believes that the schools are maintained primarily for pupils, and that these pupils are individuals entitled to be dealt with as such. We believe that the best results are obtained through democratic cooperation in the broadest sense of the word.

Did you know -

1. that kindergarten must be conducted in all public schools by September 1973?
2. that Millis has had kindergarten since 1946?
3. that Millis has been participating in a regional special education program for the educable, trainable and emotionally disturbed since September 1970? Four towns, Holliston, Ashland, Medway and Millis, comprised the Tri Valley Regional Special Education Program the first year. Since September 1971, Medfield and Hopkinton are also participating. It is significant to know that not only are we catering to the needs of the individuals in the program but the state reimburses fifty per cent of the expenses to the community.
4. that system wide the following is in effect?
 - a. Grade 1 and 2 self contained classroom
 - b. Grades 3 and 4 flexible scheduling
 - c. Grades 5 and 6 departmentalization
 - d. Grades 7 and 8, based on performance, teacher judgment, tests
 - e. Grades 9-12, homogeneous grouping—choice of program—business, general, college—factors
5. that Millis has been participating in an Early Childhood Program which is supported substantially with federal funds with the towns of Ashland, Northborough, Southborough and Westborough since September 1971?
6. that Millis has students attending the Lawrenceville School in Framingham where classes are conducted until the completion of the South Middlesex

Regional Vocational School building which is operated by Framingham, Ashland and Holliston?

7. that Northeastern University is undergoing a study of offering programs for the physically handicapped for individuals in the Tri Valley Special Education Program and were this to materialize our community would be able to participate?
8. Millis has been participating in the Norfolk-Bristol County Regional Vocational Technical School study?

May I, at this time, extend my appreciation for the cooperation and assistance rendered by the members of the School Committee, the principals, our staff, the entire school personnel, all local organizations, and the townspeople.

Respectfully submitted,

GEORGE C. ROY

Superintendent of Schools

ANNUAL REPORT OF THE MILLIS JUNIOR- SENIOR HIGH SCHOOL — 1971

William A. Vellante, Principal

Significant priorities established during this past year were the formulation of a Drug Policy, the introduction of an Open Campus Plan and the establishment of Guidelines for Student Rights and Responsibilities.

The Drug Policy was accepted by the School Committee following considerable research by members of the committee which consisted of parents, school committee members, administrators, teachers, citizens and students. The committee continues to meet to consider revisions for updating the policy.

The Open Campus program was initiated last April. A gradual implementation of the program was introduced at the start of the school year. When this report will be released, all high school students will be experiencing some phase of the Open Campus program. The basic function of the Open Campus program is to seek educational alternatives for high school students during their unassigned periods. The plan also provides the student the opportunity to assume more responsibility for his own growth and development. The Advisory Council, consisting of the citizenry, parents, staff members and students, has made an excellent beginning of a program that will have a positive impact on secondary education in the very near future.

The committees for the establishment of Guidelines for Student Rights and Responsibilities have been meeting quite regularly since September. Parents, students, School Committee members, teachers, administrators and students have met to discuss rights, responsibilities, school governance, curriculum, extra curricular activities, out-of-school activities and the utilization of the existing school plant. Considerable progress has been made, particularly in the area of school governance, curriculum and out-of-school activities.

In addition to studying the social conduct of students, the administration has concerned itself with curriculum development. Staff members have been encouraged to introduce innovative ideas in their classrooms and in their departments. It would be difficult to relate the many innovative practices that have been initiated this school year in a report of this nature. It is significant to note, however, that the innovative practices that have been introduced are the result of many hours of study, research, visitations and discussions of Staff Members at their curriculum meetings.

In addition to the enthusiasm towards the many changes that have been effected this year, students have maintained their school spirit toward the many traditional activities such as social functions, athletics, music and extra-curricular activities.

In conclusion, your principal wishes to express his gratitude and appreciation for the continued support and cooperation of the Superintendent, the School Committee and the professional and non-professional staff members at the secondary level.

Respectfully submitted

WILLIAM A. VELLANTE

REPORT OF THE ELEMENTARY SCHOOLS

Thomas P. Collins, Elementary Supervising Principal

The following includes excerpts from both elementary assistant administrators.

Curriculum study and revision has always been in existence and more effectively so since the start of the In-Service programs. Curriculum is a subject constantly in need of attention, and hopefully the time spent each month will result in more effective programs and a better education for the youth of Millis. Thus far, new programs in Spelling, Social Studies, Mathematics, Science and Reading have been developed. In the areas of Art and Music the need for more concentration is being realized and plans are being made to implement such programs.

Millis became a member of the six town consortium that has been awarded a federal grant for a Regional Childhood Education and Resource Center. Through the vehicle of the Regional Center there is a comprehensive, on-going approach to support teachers of the consortium in the process of change. Demonstration classrooms that are child centered activity oriented are available for observation and discussion purposes. Curriculum workshops are conducted where materials are discussed and duplicated. Resource advisors are available to work with teachers in the classroom. Instruments are being developed that describe teacher and child behavior in the child centered activity-oriented classrooms, measure parental attitudes toward these classrooms, and record and evaluate on-going procedures for change.

In addition to the standardized tests administered yearly by the schools to all pupils, a special testing program was conducted by the State Department of Education. All fourth grade pupils participated. The results of this evaluation are intended to enable the State Department to objectively identify educational needs, and furnish participating schools with helpful information for instruction, counseling, curriculum management, resource allocations and placement. It is felt that by describing pupil achievement in the basic skills, particularly in relation to individual pupil abilities, the interest, confidence and support by the citizens of the Commonwealth for excellence in Public Education will be increased.

Two students from Framingham State College who are residents of Millis spent an average of one and one-half days per week from October through

December in the role of Student Aides. Members of the Field Study in Education Program, these individuals were required to arrange a block of time in their schedule during which they offered their services at an elementary school. The Aides became involved in a working relationship with the children in various situations such as the classrooms, library, lunchroom and playground. Teachers and secretaries also received assistance from the Aides in performing clerical duties that are necessary in the everyday functioning of the elementary school.

A tutorial program has been developed for those students who have been professionally diagnosed as having severe learning disabilities. Lack of time, facilities and personnel have limited the scope of our program. However, supplementary programs are being investigated. Students presently enrolled in our Learning Disabilities Classes have made significant progress.

With class size increasing at the primary level and teaching continuing to present important but time-consuming chores such as curriculum demands and instruction geared to the student as an individual learner, it has become quite evident that additional help is needed in the schools. Consequently, the School Committee appointed three individuals to serve at the primary level in the role of para-professionals.

The para-professionals function under the direction of a teacher, performing subordinate tasks that result in providing positive changes in the professional life of the teacher. Our objective is to have the teachers doing fewer routine chores, less preparation of audio-visual materials, less clerical and countless other activities that deprive the students of the teacher's direct attention. By reducing the number of such chores, the teacher will be able to spend more time preparing purely professional materials, guiding and instructing students, and preparing remedial exercises of small groups.

This report expresses an overall view of what has happened during the year. Many of the specifics are referred to in other reports of the elementary personnel. I submit it with my expression of sincere thanks to the School Committee members, Dr. Roy, my assistant principals, the staff members and to the parents, pupils and citizens of the community for their cooperation, hard work and understanding, without which many of the year's achievements would have been impossible.

Respectfully submitted,

THOMAS P. COLLINS

Elementary Supervising Principal

ANNUAL REPORT OF THE MEDICAL DEPARTMENT

Jacob J. Zalvan, M.D., Director

This year we, again, carried out the varied functions of this department which are so well described in a separate article of this Town report (see Nurse's report).

However, I shall confine my remarks to preventive medicine which, today, is becoming increasingly important and includes new thinking and ideas for current immunizations.

Massachusetts State law now requires that all children must have, before admission to school, immunizations against smallpox, diphtheria, tetanus, whooping cough, poliomyelitis, and measles. Other available vaccines, which are optional, include mumps, rubella (german measles) and influenza. The only children exempt from this law are those certified as having certain health contra-indications or religious beliefs. The Millis Board of Health sponsors periodic immunization clinics against these diseases free of charge.

DPT (combined diphtheria-pertussis-tetanus vaccine): Usually begun when the infant is two months old. The second and third injections are given at one month intervals. If an injection is missed, it is not necessary to repeat the series, and one merely continues with the subsequent injections when possible. It must be remembered that the immunization is not complete until the infant receives his first "booster" injection in one year. A second booster is given prior to beginning school. Subsequent boosters are given at 10-year intervals; pertussis boosters are omitted after age 6.

Polio Vaccine: This is now administered orally as a mixed vaccine containing types I, II and III. The first dose is given at 2 months of age and the second is given 2 months later. The third is given about 6 months later.

Smallpox: This immunization is now given preferably in the second year, as there is less danger of a reaction at this time. Since this disease is now virtually non-existent in this country, it is believed by many authorities that the risks of vaccination outweigh the chances of infection.

Measles: This immunization is also given in the second year. It is believed to give life-time immunity and no boosters are needed.

Mumps and Rubella (German Measles): These are more recent available immunizations for susceptible individuals. Their use is still controversial, because there is yet no accepted knowledge of immunity duration and there are reports of cases of reinfection. It has been declared safe to give vaccine (Rubella) to children even though the mother is pregnant. However, immunization of adult women is dangerous, and if one is given protection, she must not become pregnant for six months.

Influenza: The effectiveness of "flu shots" is also controversial. However, this is strongly recommended for highly susceptible people such as debilitated children and feeble, sickly adults, especially those having lung diseases (asthma, emphysema), or heart disease. The initial series consists of two injections at monthly intervals. Boosters, single injections, are then given annually.

Smoking: I believe it is appropriate at this time to say a word about smoking. It was shocking to find, during our physical examinations at the school, the number of students in grades 7 through 12 who appeared with cigarette packs in their shirt pockets or reeking of tobacco. The medical department decries the policy of the School Committee which recognizes, even on a small scale, smoking by students on school grounds. Not only has smoking been implicated in Cancer of the lung, but it has also been blamed for its harmful effects in heart disease, chronic obstructive lung disease (chronic bronchitis, asthma and emphysema) and gastro-intestinal disease. The proof must have been very convincing to bring about the present restrictions on advertising by the strong, powerful tobacco manufacturers.

It is the continued alertness of medical research and the public acceptance of its results that have so increased the normal life span of the American individual.

I should like to take this opportunity to thank my Nursing Staff, the school personnel, the School Committee, the Board of Health, and all the parents for their assistance and cooperation.

JACOB J. ZALVAN, M.D.

REPORT OF DENTAL CLINICS

The School Dental Clinic is now doing complete X-ray and oral examinations on all pupils who so desire in grades 1-6. If these examinations show that the child requires dental attention, the parents are notified and the X-rays are made available for the use of their private dentist. If time permits, as many cleanings as possible are done.

A total of 31 Dental Clinics were held between January 1 and December 31, 1971: 292 children were X-rayed and examined and 41 children received oral prophylaxis.

HERMAN L. BROWN, D.M.D.

SCHOOL HEALTH PROGRAM

During the year, 1971, the School Health Program provided health services to the schools. The enrollment in the public schools consisted of 1,782.

The two part-time public health nurses with the assistance of two health aides and a secretary make up the health team. The health aides and secretary were certified by the state to perform the screening tests for vision and hearing. In November, 1971, they were certified for completing the standard course in first aid.

The health team act as health consultants and advisors in keeping children well. They help to determine the physical status of each child, enlist the child's cooperation in health protection and maintenance and give attention to individual health needs. They help to protect against communicable disease exposure, render first aid and promote a healthful, safe environment. They assist the classroom teacher in using all available opportunities for health education and collaborate with school and family physicians and dentists in obtaining the necessary services.

Some of the activities performed by the health team are listed below:

Health examinations given by family physician	20
Health examinations given by school physician	690
Vision and hearing tests given	1,782
Nursing visits to schools	624
Individual pupil conferences	2,000
Conferences with principals and teachers and other professional personnel	100
Parent-nurse conferences at school	175
Visits to homes of school children	50
Immunization programs	
Tuberculosis detection clinics	188
Flu vaccine to teachers and town personnel	111
Students seen for various health reasons	11,649

Families are urged, if possible, to have their children examined by their own physician since it is possible for him to give a more complete health

appraisal than can be done in school. The same medical forms are provided by the School Health Department to the private physician in order that uniform records and coding can be maintained.

SCHOOL SONG

Gray is the peaceful night:
 Day's closing brings it nigh-
 Crimson which streaks the sky
 In radiant light.
 Those are our colors dear,
 Though we in numbers few
 To them we will be true
 When far or near.

Each year we work and strive
 To keep our ideals high,
 High as the distant sky,
 Each one alive.
 Memories of happy hours,
 Millis, thou school of ours,
 Hear this our welcome lay,
 Crimson and Gray.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

I hereby submit my report of weights and measures for the year 1971.

Scales and weights sealed

Gasoline meters	40
Grease meters	1
Scales sealed	44
Vehicle tank	1
School scales sealed N.C.	5

Condemned

Gasoline meters(not sealed)	5
Scales (not sealed)	2

Sealing fees collected \$115.00 and duly turned over to town treasurer.

Respectfully submitted,

JOHN P. MC DONALD

REPORT OF THE SMOKE AND ODOR NUISANCE COMMITTEE

The committee reviewed complaints regarding smoke, odor and noise nuisance caused by the G.A.F. Corporation.

After consultation with the Millis Board of Health, the Mass. Department of Public Health, Division of Environmental Health, requested the G.A.F. Corporation to take immediate steps to insure proper air pollution control and requested that the division of environmental health be informed of the corrective action taken by the G.A.F. Corporation by September 5, 1969. To the best of our knowledge G.A.F. Corporation has not taken the corrective measures recommended by the division of environmental health.

Respectfully submitted,

JOHN J. LYDEN

REPORT OF THE TAX COLLECTOR

Following is the report of your tax collector for the year 1971:

Outstanding January 1, 1971	\$ 81,783.19
Taxes committed for collection by assessors	1,969,857.00

BOARD OF ASSESSORS

MILLARD B. LA CROIX, Chairman

REPORT OF THE TOWN COUNSEL

The year 1971 differed sharply from the two previous years in the activities of town counsel. Prior years saw a substantial number of days spent in trial of zoning matters involving the denial or the granting of permits to construct multi-family dwellings by the zoning board of appeals. Two of these cases have been appealed to the Massachusetts Supreme Judicial Court. One of them, *Winiker versus the Zoning Board of Appeals*, is an appeal by the petitioner on a decision of the superior court favorable to the town of Millis. The second, *Laurel Development Corporation versus Zoning Board of Appeals*, is an appeal by the town of Millis from an unfavorable decision of the superior court.

The year 1971 saw an unusual number of claims handled by the office of town counsel resulting from damage to town property caused by motor vehicles. Several of these claims have been settled, financial recoveries accomplished, while others are presently pending. None of these claims, however, were resolved adversely to the town of Millis.

During the past year, town counsel attended almost every meeting of the board of selectmen and replied to an unusually large number of requests for opinions. Although the bulk of opinions from this office were rendered to the board of selectmen, town counsel also was consulted by and cooperated with a substantial number of other boards and commissions within the town.

Initial steps were taken during the past year to solve the problems of refuse disposal and town counsel will continue to cooperate with the board of selectmen and the department of public works to implement plans to develop a complete sanitary landfill program.

The position of town counsel in a growing town such as the town of Millis continues to be both demanding and rewarding. The discharge of the obligations of this office, however, are made easier by the type of cooperation extended to me by the board of selectmen in the year 1971.

Respectfully submitted,

JOHN F. ST.CYR, Town Counsel

REPORT OF THE HISTORICAL COMMISSION

1971, for the Millis Historical Commission, was one of launching various projects—primarily the inventory of the historical sites, buildings, monuments, etc. in the town. The purpose of this is twofold: assisting other town committees in the continuous development of Millis in terms of preserving the historical, social and cultural heritage and the generation of a historical trail which will provide the town with a permanent living record of our history; secondly, the commission is planning to pursue a complete update of the contemporary history of the town's activities.

It is the hope of the commission to secure the assistance of private groups in the town towards the achievement of the above goals.

We express our sincere appreciation to the members of the historical commission for their diligence and enthusiasm during the past year. With their continued efforts, we are confident of achieving the goals we have established for our town.

Respectfully submitted,

WAYNE B. BOIE, Chairman

REPORT OF THE INDUSTRIAL DEVELOPMENT COMMITTEE

Joint meetings have been held throughout the year with the planning board and the conservation commission to discuss matters connected with possible extension of areas allocated to industrial zoning and on flood plain zoning and progress on the master plan for the town. There is urgent need for an overall, carefully and expertly engineered master plan if sound industrial development is to take place in Millis.

Other factors complicating the future of industry, as well as additional aspects of community activity, is the present uncertainty as to the location of the proposed Route 209 and in the long term future of the town dump.

Roadside signs extending welcome to industry were erected early in 1971 and have generated inquiries.

An open meeting was held with a representative of the U. S. Small Business Administration to discuss the types of assistance available locally from that source. Representatives of other Millis agencies were present. The possibilities of a "workshop" open to representatives of small industrial concerns in town was discussed but action deferred for the present. However, at least one local business is receiving the benefit of assistance from the SBA as an outgrowth of the meeting.

The industrial development committee was contacted in August by one important local manufacturing establishment having interest in the possibility of community endorsed financing for a significant plant expansion, approaching seven figures and the probable addition of several hundred people to the existing work force. The IDC met with the interested party and subsequently set up a joint meeting with the new industrial development financing authority and a representative of the Massachusetts Department of Commerce and Industry to plan further steps. The matter is proceeding.

We have to change our thinking on industrial land. No longer can it be waste land or swamp land unacceptable for residential. It must be preferred land. In these days of ecological and environmental responsibility we are trying to attract small, clean, industries requiring little usage of our two precious commodities water and land. We ask all citizens and town departments to help us in our efforts.

Respectfully submitted,

HENRY J. LEWANDOWSKI

SAMUEL POWEL

Co-chairmen

REPORT OF THE INDUSTRIAL DEVELOPMENT FINANCING AUTHORITY

The industrial development financing authority was created for the implementation of the industrial revenue bond statute (Chapter 772 of the Acts of 1967).

The authority was formally organized at a meeting at the town hall on September 16, 1971 with the following slate of officers: Chairman, David W. Noon; vice-chairman, John J. Roddy; treasurer, Stuart M. King; Secretary, Barbara D. Wilkie; and member, George D. Cassidy.

A second meeting was held on October 12th for information requested on a preliminary inquiry.

As there has been no other business no further meetings have been held.

Respectfully submitted,

BARBARA D. WILKIE, Secretary

REPORT OF THE SUPERINTENDENT OF INSECT PEST CONTROL

During this past year, the elm trees were sprayed in May and July for the elm bark beetle, the carrier of Dutch elm disease, as well as other leaf eating insects. For the past 3 years, this department has been working closely with the department of natural resources, in the testing and removal of trees with Dutch elm disease, for which the state reimbursed the town on a percentage of the money appropriated at the town meeting.

I'd like to take this opportunity to extend my sincere appreciation to all the town departments and the townspeople for their cooperation during the year 1971.

Respectfully submitted,

FRANCIS K. FARRICY

REPORT OF THE RECREATION INVESTIGATING COMMITTEE

The recreation investigating committee, which was organized at the request of the moderator during the latter part of 1971, has held biweekly meetings for the purpose of investigating the recreational possibilities in the town and to study the programs of surrounding towns.

We wish to report that we have studied the recreational programs in Hope Dale and Sharon thus far and both towns have well organized programs, competent leadership and provide a wide range of individual choice in different kinds of activities for citizens of both sexes and all ages. Both towns, it should be noted, have allocated sizeable budgets to support their various recreation programs.

We are encouraged by the many individuals and groups who have indicated a willingness to assist wherever needed in the organization of a recreational program in the community. The recent appointment of a Recreation Director, in the person of Mrs. Cheryl Fleischer, will go far toward the formulation of a dynamic recreational program in the town and it is the hope of the committee that the various boards and groups in the community will assist her in every way possible.

Sincerely yours,

ARTHUR L. BLANCHARD
Chairman

Department of Public Works

7 Water Street

New building, completed in May 1971, is 120 by 90 feet. It is of steel and concrete construction, completely insulated and fully heated, and contains a repair area, truck lift, locker room, office, stock room. Doors at each end make it possible to drive through when desirable. The building is connected to the town fire alarm system and has an outside area for parking school buses with facilities for cold weather preheaters. There is also a 4000 gallon buried tank for gasoline to service all town vehicles.

REPORT OF THE PUBLIC WORKS BUILDING COMMITTEE

Many meetings were held by the committee throughout the year 1970 and the beginning of 1971. Work commenced on the new public works building in November of 1970 and continued to progress throughout the winter and spring, with completion of the building in May of 1971. The contracted price of the new building was \$116,560, architect and incidentals \$9440, for a total of \$126,000.

The department of public works held its open house on June 2, 1971, with all town officials in attendance. Acceptance of the new building was made at this time by the public works building committee. The keys were handed from Richard Barrett, chairman of the public works building committee, to Gordon McFetridge, chairman of the board of selectmen, who in turn handed the keys to Thomas S. Lydon, chairman of the board of public works.

Since its opening in June of 1971, the building has been used by the department of public works for approximately seven months and is working very efficiently. The public works building committee, consisting of Richard Barrett, chairman; John Kilmain, clerk; Everett Adams, Paul Clancy, Wayne Hansen, Joseph Johnson, Lloyd King, Henry Lewandowski, George Sarris, Frank Senatrol, and Joseph Sokol, are pleased and proud of this new building, which has certainly proved to be an asset to the community.

Respectfully submitted,

RICHARD C. BARRETT, Chairman

REPORT OF THE BOARD OF PUBLIC WORKS

The commissioners of the department of public works, town of Millis, held their first meeting on March 3, 1971, at which time Mr. Thomas S. Lydon was elected chairman, Mr. George DeAngelis as clerk, and Mr. Jean Salvucci, third member. Mr. Richard Barrett was appointed acting foreman for the department at this meeting.

The commissioners would like to take this opportunity to express their appreciation to Mr. Barrett and to the men who serve under him in the various divisions for their excellent cooperation throughout the year. We'd like to thank the various people who served under former commissions in the town of Millis, now under the department of public works, who so freely give of their time. On April 28, 1971, Miss Maureen Aalto was hired as clerk-typist for the department of public works and the commissioners express their appreciation to her for the excellent job she has done throughout the year.

In addition to its regular duties and routine work, the following major projects were completed: the completion of the Plain and Village Streets sidewalks; Village & Norfolk, Union & Main Streets intersections; water main installations, Article 71-Causeway Street, 475'-8", Article 70-Dyer Street, 790'-6", Article 72-Main Street, 1300'-8", Article 64-Orchard Street pipe arch installation; Article 68-Cassidy drainage, 500' of 30" pipe; Article 69-town drainage, Winter & Bow Streets, Cole & Railroad Avenues; lowering of sidewalk in front of Catholic church; hot topping remaining section of Dover Road-2100', installing hot top curbing the entire length.

Our major objective has been to improve, where possible, all of the divisions that come under this commission. Hopefully, we have done this and our plan is to continue these improvements during the year 1972. Our most recent improvement has been at the skating area at Richardson's Pond, where a new building has been erected by the department of public works with the cooperation of the Lion's Club, the GAF Corporation, Tresca Brothers Sand & Gravel, Inc., and Hodgson Homes, who donated either time or materials to make this possible. We also express our appreciation and gratitude to the

board of selectmen and the town accountant, Mr. George Cassidy, along with various members of the press, for their cooperation throughout the year.

Respectfully submitted,

THOMAS S. LYDON, Chairman

REPORT OF THE BUILDING INSPECTOR

During the year, 107 permits were issued with an estimated cost of construction of \$720,952.

22 permits were issued for new residential construction with an estimated cost of construction of \$434,147.

3 permits were issued for new commercial construction with an estimated cost of construction of \$114,680.

52 permits with an estimated cost of construction of \$172,125 were issued for construction of additions, renovations, swimming pools, auxiliary buildings and demolitions.

The building department wishes to apologize to all applicants for building permits who were inconvenienced by our inadequate quarters.

Thank you again, Mrs. Whitecross and Mrs. Germano.

Respectfully submitted,

CHARLES F. MANDELL
Building Inspector

REPORT OF THE BYLAW COMMITTEE

The Millis Bylaw Committee continued to meet during the past year and once again is submitting its recommendations in the form of articles in the warrant to be acted on by the voters.

Much of the work has been in determining the bylaws to be repealed due to being outdated and those inactivated by the passage of laws by the General Court.

It is our opinion that the committee should be kept intact to complete its review, print at a minimal cost a compilation of all the bylaws, hold public hearings and finalize our work by the next annual meeting.

Respectfully submitted,

PHILIP J. GAVIN, JR. , Chairman

REPORT OF THE MEMORIAL DAY COMMITTEE

Memorial Day, 1971, was observed on May 31. The day dawned rainy and threatening. The World War I and World War II memorials were decorated with many American flags. On the flagpoles of the churches, town buildings, AmVets and American Legion home, the American flag flew at half mast. The graves of each ex-serviceman in the Prospect Hill Cemetery were decorated with an American flag.

The morning stillness was broken by the volley of rifle shots as the detachment of Legionnaires from Post 208 conducted wreath laying ceremonies at the four squares in various parts of town:

Pollard Drive Memorial
Raymond J. Curry Memorial Square
Harry Himelfarb Memorial Square
Buddy Kearny Memorial Square

The parade, one of the largest in many years, formed on Curve Street shortly after noon. In addition to the police, firemen, town officials and members of the American Legion Post 208 and Auxiliary, a large group of young people representing various Boy Scout, Girl Scout, Brownie, Cub Scouts and the Minitones also participated.

The parade started sharply at 1:00 p.m. proceeding up Curve Street to the World War I Memorial where a wreath was placed by Milliard LaCroix, the first commander of Post 208 American Legion, and a prayer was offered by the Reverend Robert Fay of St. Thomas Church. The parade then proceeded to World War II Memorial where Mrs. Lorraine Consoletti, President of American Legion Auxiliary Post 208, placed a wreath and the Reverend Crawford E. Combes of St. Paul's Church offered a prayer.

The Prospect Hill Cemetery ceremonies commenced with a welcoming address by Commander James E. Welsh of Millis American Legion Post 208 and the invocation was delivered by the Reverend William C. Fleming of the Church of Christ. General Logan's Orders were read by Eagle Scout Kenneth McCarter, Troop 115. John Fettig and Mary Bis recited Lincoln's Gettysburg Address and In Flanders Field respectively. A selection was played by the Waltham American Legion Band, Post 156.

State Representative John St. Cyr delivered the Memorial Day address.

The ceremonies were closed with taps, followed by benediction by the Reverend Robert Fay.

Respectfully submitted,

JAMES E. WELSH, Chairman

REPORT OF WORLD WAR II MEMORIAL COMMITTEE

We wish to report that the World War II Memorial has been maintained in a noteworthy manner. Many compliments have been received on the memorial especially in spring, when the trees are in bloom. As previously reported, the memorial has been kept lighted with the American flag as a reminder of our boys in Southeast Asia.

Respectfully submitted,

JAMES E. WELSH, Chairman

REPORT OF THE TOWN OFFICE BUILDING INVESTIGATING COMMITTEE

The town office building investigating committee met during the year to again assess and reevaluate the need for town office facilities. Site locations for same were considered and no firm determination has been reached at this time.

The committee is continuing to investigate site locations; and, when a firm decision has been reached, it is anticipated that professional engineering and architectural assistance will be required.

It is apparent that there exists a need for a central town office building and it is suggested that the committee be continued to prepare a proposal for presentation to the town meeting in 1973.

Respectfully submitted,

DONALD M. KUHN, Chairman

MISS MASSACHUSETTS—1971
and second runner-up in Miss America Contest

Deborah Ann O'Brien

Miss O'Brien resided with her family for almost 10 years on Orchard Street and was graduated cum laude in 1967 from Millis High School. While attending Millis High she was a member and soloist with the N. E. Conservatory Chamber Singers and soloist with the Mass. All-state Chorus.

A cum laude graduate of Oberlin Conservatory, she won many honors, performed professionally for the St. Louis Municipal Opera Co., as soloist for the Boston Ballet's "Carmina Burana" and the first of 1972 was Tzeitel in "Fiddler on the Roof" at the Chateau de Ville.

Respectfully submitted,

WILLIAM G. MALLETT

Town Treasurer

Board of Selectmen touring new facilities at the telephone central office. Left to right, Henry J. Lewandowski, Chairman Gordon W. McFetridge, Clerk Donald M. Kuhn and a telephone representative.

The telephone building addition at 821 Main Street, completed in 1971, included installation of equipment to provide touch tone service, automatic number identification and added Natick and Holliston to the free calling area at a cost of more than \$140,000 for equipment alone. "Circle dialing," to allow free calling for a radius of approximately 20 miles, is expected to be offered residents in 1972.

REPORT OF THE BOARD OF SELECTMEN

The board of selectmen organized for the year during a special meeting held March 3, 1971, with Gordon W. McFetridge, chairman; Donald M. Kuhn, clerk; and Henry J. Lewandowski, member.

Regular meetings were scheduled for alternate Monday evenings but, again, the press of business made weekly and special meetings necessary very frequently.

One of the major changes in the structure of the local government took place in 1971 with the election of the first board of public works, Thomas S. Lyon, George DeAngelis and Jean Salvucci. Separate departments absorbed into the department of public works included the highway, sewer, water, tree, park and cemetery. In the short time this department has been in existence, it has worked well; and in the future it should result in further improvement and benefits to the community.

A hard working drainage investigating committee comprised of Charles G. Ellis, Louis DeAngelis and Herbert Stevens has again made a number of recommendations to correct drainage problems, some of which, hopefully, will be implemented through funds to be appropriated at the 1972 annual town meeting.

Also performing a valuable service to the town were insurance investigating committee members, Chairman John W. Purkis, Richard A. Booth, Frank J. Senatro, William E. Painter and E. Peter Bosse. We have turned over to the insurance agent of record their report to us for cost figures to institute the recommendations. One of the insurance investigating committee's recommendations was that the town join the federal flood insurance program. This subject has been tabled by the board of selectmen for several reasons. One is that our neighbor, Norfolk, has complied with all the program requirements, which represent a great deal of work including zoning, etc.; and there has been only one flood insurance policy sold in that town to date. Since this indicates, at least to us, there is little interest in this section in flood insurance; and, because of the current stipulation that if the flood insurance program is in effect, those not taking advantage of it are not eligible for federal assistance

in case of a disaster, we felt joining the program at this time would penalize those not securing flood insurance. Under the federal flood program, some building constraints for areas subject to flooding are required; but, since our own flood plain zoning is more strict than the federal requirements, this aspect would prove of no benefit to Millis.

There is currently one vacancy in the police department, caused by the transfer of Patrolman Howard Watson. The problems caused by the active court cases regarding civil service examinations have prevented our filling this position, but we hope this can be done in 1972.

Solid waste disposal problems have haunted the board of selectmen all year. Implementing the new, strict state regulations regarding solid waste disposal and air pollution will be very difficult and expensive. We have spent much time on this subject and have been admirably aided by Chairman E. Peter Bosse and the members of the dump investigating committee. We will sponsor a number of articles in the 1972 annual town meeting warrant to begin the operation of a sanitary land fill area as required by the state. The cost will be high, more than \$220,000 for this year's proposed expenditures alone. We certainly are no happier about the cost than any other Millis taxpayer, but we have been cited for more than 30 violations at the dump already and informally told the dump will be closed soon by the state if action is not taken. Therefore, after many long hours of discussion and many meetings with other town boards and the engineers, we are making a number of proposals at town meeting, including acquisition of land and purchase of equipment.

By taking advantage of the Emergency Employment Act of 1971, we have been fortunate to secure the services, with wages paid fully by the federal government, of Henry Perciaccante as an automotive mechanic for the department of public works, Rose S. Robinson as assistant administrative clerk in the selectmen's office, and Cheryl L. Fleischer as recreational supervisor. Mrs. Fleischer has just begun her work and we trust we will soon have an expanded recreational program, something that has been sorely needed in Millis.

With the usual fine cooperation from our police department, we anticipate speed zoning preliminary work will be undertaken in 1972 and the speed zones established by the end of the year.

Contracts bid and awarded during the year included:

R. H. Long Motor Sales Co., Framingham, one 1971 Pontiac sedan police cruiser, with turn-in of 1969 Pontiac cruiser \$2994.

Charles H. Clougherty Co. Inc., Medfield, 1000 feet 2½ inch fire hose \$1280.

R. B. Allen Co. Inc., North Hampton, N. H., three circuit fire alarm register \$5700.

A. J. Nielsen Radio Service Inc., Hanover, two walkie-talkie radios for the fire department \$1300.

Blue Cross - Blue Shield, Brockton, hospital-medical-surgical 1972 coverage under Chapter 32B, individual \$16.06, family \$41.96, optional medicare extension \$10.40, all of which the town pays half.

Medway Oil Company, Medway, No. 2 fuel oil for town buildings, per gallon, subject to certain increases \$.148

Gulf Oil Company - US, East Providence, R. I., high test gasoline with underground tank and pump installed, per gallon, plus taxes, subject to certain increases \$.2055

Copy Graphics, Medway, 1971 annual town report, 1800 copies, per page \$ 10.45

All contracts have been completed with the exception of the three circuit fire alarm register, the town report which is scheduled for delivery in late February and the usual continuing deliveries of fuel oil, gasoline, etc.

Under Article 65 of the 1971 annual town meeting, \$3050 was appropriated for a school zone to be installed on Plain Street under a permit from the Massachusetts Department of Public Works and 100 percent reimbursable from the state. The bids for the school zone exceeded the appropriation and an article will be in the 1972 annual warrant for additional funds.

The 750 gpm pumper for the fire department, ordered in 1970 from Maxim Motor Division, Middleboro, was received in December, 1971, and is now in service.

Licenses and Permits Issued for 1971**11 Alcoholic beverages licenses**

- 1 club, all alcoholic
- 3 common victualer, all alcoholic

We have taken a new approach with the annual town report this year, particularly with the cover, and we sincerely hope you find it interesting and pleasing.

Respectfully submitted,

GORDON W. MC FETRIDGE

Chairman

IN MEMORIAM

The Rev. John P. Leonard

1901 - 1971

Father Leonard was pastor of St. Thomas the Apostle Church in Millis for 14½ years and was loved and admired by many of all creeds. He was often affectionately called the "Pied Piper" for his ability to communicate with the children of the community in a way which is rare indeed in an adult. His long illness and death on July 1, 1971, at the rectory left a void difficult to fill.

REPORT OF THE TOWN ACCOUNTANT

The following is the report of the financial transactions of the Town of Millis for the fiscal year ending December 31, 1971.

I would recommend that the amounts of money remaining in the various completed Bond issue articles be incorporated into the next expenditure voted by the Town requiring another borrowing.

At this time I would like to express my appreciation to Mrs. Mary Germano for her splendid assistance during the year and to all other individuals and departments within the Town Government for their assistance and cooperation.

Respectfully submitted,

GEORGE D. CASSIDY, JR.
